LEAGUE GOVERNING BODY NOMINATIONS DUE

The League is seeking nominations for individuals wishing to serve on the Governing Body. Both elected and appointed officials are welcome to apply. The positions of president, vice president and director are open for nominations. The Governing Body meets six times a year, providing guidance to the League executive director for the organization's direction. We seek a broad and varied collection of directors, preferring diversity of geography, municipal position, city size, race and gender among the director membership.

The League asks that all nominations be submitted by Friday, September 18. [Submit nominations on-line](#).

Our keynote, Patrick Skinner, will discuss "rethinking policing," and share his experiences as a CIA counterterrorism agent and a hometown, municipal police officer. His keynote will encourage you to look at "every single thing you do, every day" to build rapport with community members. His approach acknowledges that each community is different and we, as elected and appointed officials, need to lead our cities to openly discuss the community's policing expectations based on shared values.

Other sessions include:

- Rising to the Economic Challenge on the Local and Volunteer Level
- Cities and COVID-19: Lessons Learned and Where Do We Go Now?
- Kansas Recovery and Growth with Secretary of Commerce David Toland
- Educating Stakeholders on the Essential Work of Your Municipality
- Addressing Critical Infrastructure in Uncertain Times
- Emerging Kansas Caselaw Cities Should Know
- Federal Legislative Update with the National League of Cities
- and more!

The League Annual Conference will take place virtually over the course of four days. Content will be a mix of pre-recorded and live sessions, all accessible via our mobile app provider.
