The League invites nominations from city officials to serve on the League Governing Body. The Governing Body consists of 12 directors, a president, vice president and past presidents who meet six times each year to provide direction to the organization.

We seek a diverse membership by region, size of city, race, gender, ethnicity, and elected and appointed officials. Members of the Governing Body are expected to make a commitment to attend all meetings and possibly participate on subcommittees. Any travel expenses are paid by each member’s city. If you are interested in submitting a nomination, simply complete our online form.
