Revenue Neutral Rate Reminder!

We are about a week away from the deadline to send notice to the county clerk of your city’s intent to exceed the revenue neutral rate. Written notice is due to the county clerk on or before July 20th. This notice must stem from governing body action (typically a motion or resolution directing a member of city staff to send the notice) and must include:

- A statement of the city’s intent to exceed the revenue neutral rate,
- The date, time, and location of the city’s public RNR hearing, and
- The proposed tax rate (the mill rate, not total dollars).

The League has a sample resolution that your city can use on our Budget Tips page.

If you have any questions about this or anything else with the RNR process, email jgoodyear@lkm.org

League Annual Conference - Registration Open!

The League Annual Conference registration and hotel block reservations are open as of July 1! We hope you are making plans to join us in Overland Park October 8-10. The League Annual Conference is the largest municipal gathering of the year in Kansas, and the one event city officials cannot afford to miss! This event will allow you to engage with other leaders to share and brainstorm ideas to implement in your community, think creatively to use problem-solving tactics, and address common municipal challenges.

We recommend councilmembers/commissioners, mayors, managers and administrators, clerks, and department heads attend our conference. A number of valuable workshops, discussions, and networking opportunities await.

Events will take place at the Overland Park Convention Center + Sheraton Overland Park Hotel. Click here to register.

STO & UPOC Publication & Timeline

The League will publish the Standard Traffic Ordinance (STO) and Uniform Public Offense Code (UPOC) manuals for 2022. Both manuals are available in a hard copy book, an electronic version and a website version. Orders are being taken now for delivery in mid-July. Please click here to go to our website to place your order and contact kpancoast@lkm.org if you have any questions about ordering.

Kansas Infrastructure Summit This Week

The Kansas Infrastructure Hub is hosting a summit on July 13-14, 2022 in Wichita, Kansas and is encouraging cities, counties, and the private sector to attend to learn about the many grant opportunities available under the Bipartisan Infrastructure Law (BIL). With BIL, Kansas will receive $3.8 billion in infrastructure funding over the next five years with additional grant opportunities as well. For more information or questions, contact BIL@ks.gov.

**July 14 Webinar: Reconnecting Communities Pilot (RCP)**

The U.S. Department of Transportation (DOT) is now accepting applications for the Reconnecting Communities Pilot (RCP) discretionary grant program. It is the first-ever program to help reconnect communities previously cut off from opportunities by transportation infrastructure, such as highways and rail lines, through solutions like high-quality public transportation, infrastructure removal, and main street revitalization. Eligible applicants for the Reconnecting Communities competitive grant pilot program include:

- States
- Local and Tribal Governments
- Metropolitan Planning Organizations
- Nonprofit Organizations
- Other Transportation Facility Owners

DOT will host an "Interested in Applying?” webinar for prospective applicants on Thursday, July 14 from 12:00 to 1:30 PM EDT (register here). For additional information, follow the links above or contact ReconnectingCommunities@dot.gov.

**DOT Navigator and KS Infrastructure Hub Resources**

The US DOT has just launched a new informational portal that provides help to understand the various programs contained in Bipartisan Infrastructure Law - and provide information on upcoming grant opportunities. The DOT Navigator is a new “one-stop shop” that provides essential information to help our stakeholders and communities apply for grants, identify existing resources, and answer questions on how to connect with funding opportunities provided through BIL. It provides an array of resources across the Department designed to provide technical assistance and help stakeholders navigate the grant application, transportation planning, project delivery, funding and financing, and implementation processes. In addition to the DOT Navigator, there is also a KS Infrastructure Hub.
