League Annual Conference | A Conference Just for You!

You’re interested in the 2022 League Annual Conference because you care. You care about advancing your community and improving the quality of life for your residents. You care about learning from your colleagues and networking with others in local government. And you care about investing in your leadership and furthering your skills. Lucky for you, there is a conference right around the corner that checks all those boxes.

With over twenty different breakout sessions/workshops, a mobile workshop, two general sessions, and ample networking, you’ll have plenty of opportunities to learn and grow in your local government role. If you haven’t registered already, there’s still time. Secure your registration and start getting excited!

Plus: We’ve also planned for a little fun and opportunities for creating memories.

The opening reception on Saturday will feature an opportunity to download the League mobile app and catch up with old friends (or make new ones!) In exhibition hall in between visiting with vendors Sunday afternoon, you can cuddle puppies at a puppy playpen, grab snacks and drinks, and maybe be the lucky winner of some cool prizes. Sunday’s social event will feature Dueling Pianos by Howl at the Moon – always a crowd favorite.

With all these great opportunities, you can’t afford to miss out on attending!

Business Meeting & Convention of Voting Delegates

The Business Meeting & Convention of Voting Delegates will be meeting on Monday, October 10 during the League’s Annual Conference.

The League is now collecting registrations for Voting Delegates and Alternates. K.S.A. Supp. 12-1601f provides that “The governing body of each member city may elect city delegates from among the city’s officers to represent the city in the conduct and management of the affairs of the League of Kansas Municipalities.”

To complete registrations for your city, please complete an online form by Friday, September 23 at 5:00pm. The Online forms can be found on our website.

The League must have a form on file for each voting delegate and each alternate for their vote to count during the business meeting. Forms received after this date may not be processed. More information regarding the business meeting will be emailed to the Delegates and Alternates in October. Please remember, the voting delegate forms are not conference registrations. You must also register for conference on our website.

Please contact Kerry Pancoast if you have any questions about the Voting Delegate process.
