Attendees will have the opportunity to connect with one another through the virtual platform, view short videos from our supporting exhibitors, and maintain that interaction with our speakers and poster session panelists. As an added bonus, register by June 30th and receive a welcome box with items from our exhibitors!

LPA then invites you to join us for our Fall and Winter virtual events which will each feature 3.0 live hours of CE and continue to provide you the latest in pharmacy education and hot topics.
