About Nancy Boudreaux

Nancy Boudreaux is the *Investor Education Trainer* for the Securities Division of Louisiana's Office of Financial Institutions (OFI), which regulates securities in Louisiana and investigates complaints of securities fraud. With a B.S. in Psychology, her career has covered over 25 years as a training professional in sales, management development, customer service, safety, operations, and management skills before joining OFI in 2010 to develop their new *Investor Education* department. Nancy is a *free speaker* to groups and associations throughout Louisiana on the "red flags" of investment scams, and informs groups of free resources available to help protect assets from con artists. *Nancy does not give investment advice or sell investments.*
