Getting Your Head and Heart Aligned for 2019

Stephanie Shaw, Latter & Blum Shaw Properties

Stephanie is back by popular demand to help you focus on you in 2019! This half-day workshop will help you put everything on the table and focus on these key areas of life: Money, Time, (or lack thereof) Space, and Vulnerability!

Stephanie has married her professional success, life experiences and talents as a coach and speaker. She teaches others how to simplify and focus their daily lives to sustain motivation and overcome obstacles to create the life they desire. These attributes of simplification and alignment also inform her company's motto "Aligning Head, Heart and Home."

This program will qualify for 3.5 credit hours for CAE certification (Domain 2) and CMP certification (Domain E).
