Town of Eastham Conservation Agent/Environmental Planner

Job Title: Conservation Agent/Environmental Planner

Salary/Compensation: Starting salary to a maximum of $30.68 per hour, based on experience

Location of position: Eastham, MA

Employer: Town of Eastham

Description of employer:
The Town of Eastham is a small, vibrant coastal community. Located on the lower Cape, the town is bounded on two sides by land, specifically the Towns of Orleans and Wellfleet, and on the other two by water, the Atlantic Ocean and Cape Cod Bay. Its year-round population is about 5,000 which increases to 30,000 during the summer. Eastham is part of the Nauset Regional School System.

Work schedule: 19 hours per week. Schedule to be determined.

General Job description:
The Town of Eastham seeks qualified candidates for this part-time, 19-hour per week position which may become full-time in FY22. Provides professional, technical, and administrative support to the Conservation Commission, Open Space Committee and Town departments with the goal of protecting Eastham’s wetland resource areas and rare species habitats through community education and enforcement of the Massachusetts Wetlands Protection Act, the Eastham Wetlands Bylaw and the Eastham Conservation Commission Regulations.

Qualifications:
Bachelor’s Degree in environmental science or a related natural science. Three (3) years of experience as a Conservation Agent or in municipal land use practices and procedures including environmental permitting, or equivalent combination of education and experience. Valid MA Driver’s License.
