

Job Title: **Summer Conservation Field Supervisor**

Salary/Compensation: **\$14-15/hr**

Location of position: **Lexington**

Employer: **Town of Lexington Conservation Department**

Description of employer: **Municipal conservation department.**

Work schedule: **Mon, Wed, Thurs, 9-4:30; Tues, 9-6:30**

General Job description::

Join the Lexington Conservation Division this summer season as we provide on-the-ground stewardship of Lexington's beautiful open spaces. We manage over 50 miles of trail, build and repair boardwalks and footbridges, maintain scenic vistas and overlooks, manage invasive plants and restore native plant habitat. If you love the outdoors, value physical work, and want to learn more about natural resource management and municipal government, then this is the job for you!

Qualifications:

Field supervisor provides leadership and operational support for our seasonal field crew. Basic job duties include mowing, brush cutting, pruning, small construction, invasive plant removal, and native species planting. Additionally, assists with weekly work planning, equipment maintenance, conservation field inspections, and other miscellaneous projects. Ability to operate small landscaping equipment and drive a Town vehicle is required.

Deadline to apply: **Friday, March 15th**

For More Information and How to apply:

All applicants are required to complete a Town application form, available from the Town of Lexington website at <http://www.lexingtonma.gov/human-resources/pages/employment-town>, emailing jobs@lexingtonma.gov or by visiting the Human Resources Department.

Please attach a resume to the required application form, but note the resume cannot serve as a substitute for completing the required application form.
