

Job Title: Stream Crossing Assessment Coordinator - Contractor **(180007VR)**

Salary/Compensation: 34.28 - 36.13 Hourly, one-year contract

Location of position: Westfield, MA

Employer: Massachusetts Division of Ecological Restoration

Description of employer: The Division of Ecological Restoration is charged with restoring and protecting the health and integrity of the Commonwealth's rivers, wetlands, and watersheds for the benefit of people and the environment. This mission is critical to the success of the Department of Fish and Game that manages, protects, and restores the natural resources of the Commonwealth. The Division is accepting applications for the position of Stream Crossing Assessment Coordinator - Contractor - estimated for 1 year.

General Job description: The Coordinator will provide field data assessment and technical support to the Division's Stream Continuity Program. This includes planning and coordinating surveys of high-priority road-stream crossings throughout the Commonwealth to inform ecological restoration actions and opportunities. The Coordinator will also assist with implementation of the Division's Culvert Replacement Municipal Assistance (CRMA) Grant Program and will provide general program support to advance culvert replacement and stream barrier removal projects.

Deadline to apply: **First consideration will be given to those applicants that apply within the first 14 days.**
