CONSERVATION PLANNER/AGENT - CITY OF WORCESTER, MA

The Division of Planning and Regulatory Services seeks applicants for the position of Conservation Planner-Agent. This position provides professional administrative support for the Conservation Commission and manages municipal programs related to wetlands protection and open space conservation, including administration of the Massachusetts Wetlands Protection Act and City of Worcester Wetlands Protection Ordinance. This position serves as an agent of the Conservation Commission with responsibility for inspection and enforcement of Commission actions.

MINIMUM REQUIREMENTS:

• Bachelor’s degree in environmental science, civil or environmental engineering, planning, or a related field plus three (3) years of professional experience in the conservation planning, development review or related fields; or

• A Master’s Degree in environmental science, civil or environmental engineering, planning, or a related field plus one (1) year of professional experience in the conservation planning, development review or related fields will be considered in lieu of the above mentioned requirements.

• Valid driver’s license and access to reliable transportation.

PREFERRED QUALIFICATIONS:

• Two (2) or more years of experience providing professional administrative support to a Massachusetts Conservation Commission, or serving as a Conservation Commissioner.

SALARY: $66,663 - $87,117 annually, full-time, exempt, with an excellent benefits package.
