

Mid-Level Engagement Task Force

Charge:

The purpose of the Mid-Level Engagement Task Force is to identify and develop specific opportunities to engage mid-level professionals within the Association, both through professional development opportunities as well as Association involvement.

Relevant Strategic Plan Objectives:

- Critical Issue 2: Networking
 - Goal 2.2: MACUHO will foster opportunities for professional growth and development through interactive membership.
 - Objective 2.2.1: Engage each level of professional within MACUHO
- Critical Issue 3: Outreach
 - Goal 3.1: MACUHO will maximize efforts to recruit and retain new organization members.
 - Objective 3.1.2: Utilize currently active mid-level professionals and CHOs to engage new professionals within the region.
 - Goal 3.3: MACUHO will maximize efforts to recruit and retain members.

Specific Objectives:

- Utilize current assessment data and trends, as well as the information from previous task forces to determine current needs of mid-level professionals
- If necessary, conduct additional survey to gather information
- Review initiatives and efforts of other regions as it pertains to mid-level professional offerings
- Make recommendations to the Association for how to move forward, including if and whether MACUHO is uniquely positioned to support this population
