S.A.M. ASSEMBLY GROWTH AWARDS GUIDELINES

GENERAL:

The S.A.M. Assembly Growth Award (AGA) is given to the Assembly with the largest percentage increase in S.A.M. Members of Record in its category on May 31 of the current Fiscal Year (FY) over the number of Members of Record on May 31 of the previous Fiscal Year. The Award Category is based on the Members of Record on May 31 of the previous Fiscal Year. A member may belong to multiple Assemblies but may appear on the official list of only one Assembly, the Assembly of Record (Home Assembly), on which this Award is based. The award is not based on the actual number of members gained.

Assemblies chartered or re-instated in the year of consideration are not eligible for that year’s growth award.

CATEGORIES:

**Christopher Award**: Assemblies with 8-14 members.

**Leipzig Award**: Assemblies with 15-24 members.

**Thurston Award**: Assemblies with 25-34 members.

**Kellar Award**: Assemblies with 35-49 members.

**Houdini Award**: Assemblies with 50 or more members.

\[
\% \text{ Increase} = \left( \frac{\text{Members Current FY} - \text{Members Previous FY}}{\text{Members Previous FY}} \right) \times 100
\]
