

00:09:24 Dave Edgar: comments on the security/confidentiality of Zoom Pro, Professional or Enterprise

00:15:54 Martin Womer: Another confidentiality concern is regarding the Executive Order about witnessing and notarization is the requirement that the complete original documents be mailed to the witnesses and notary, which means that those people will be able to read or even copy the documents. This is a big potential problem, which I think makes it important for the witnesses and notary to be employees of the attorney's law firm, not friends or relatives of the client.

00:16:46 Angela Armstrong: thank you Marty. We will pass this on to the Governor's office as well
