

00:16:28 Fred Bopp: Any idea if the courts are hearing any FED matters (on motion) and, if so, how they are handling the logistics? For example, are video hearings being conducted? Thanks.

00:22:15 bbaber: Are there plans underway to address the inevitable backlog of jury trials when the courts open?

00:25:16 JENNIFER KRECKEL: Even if you could get a Writ of Possession, you would not be able to serve it if the Sheriffs are still not serving??

00:29:06 Marty Womer: Similarly, it would be great to have the probate judges join such a meeting.

00:30:55 Brittany Sawyer: York county still serving

00:31:36 Barbara at Rick McCarthy's: We've been told the civil service dept isn't allowed to serve

00:32:21 Fred Bopp: Does anyone have a reference to Gov. Mills's Executive Order prohibiting the issuance of Writs of Possession?

00:33:14 Marty Womer: These meetings are really great!
