

00:23:06 Thaddeus Day: angela, our members may benefit from Zoom training as an option at the rollout CLEs

00:23:22 Bonnie Gould: some of us sure would!

00:24:25 Steven Mogul: You don't have to download an app for zoom. It's also web based.

00:24:46 Steven Mogul: so all you need is a web browser

00:25:51 Angela Armstrong: We can look into Zoom training for sure. I did most of my learning OJT because of the pandemic, but training would definitely be helpful.

00:26:47 Bonnie Gould: the efficient use of/switching back in forth between screen shares, rooms, etc. is what would be helpful. seems so "clunky" for me

00:27:07 Angela Armstrong: thanks for the input Bonnie

00:30:20 Eileen: Thanks for looking into Zoom training, Angela.
