

**STATE OF MAINE JUDICIAL BRANCH**  
**PUBLIC NOTICE**

**Visitor Restrictions**

The State of Maine Judicial Branch announces visitor restrictions that apply to all State courthouses. These restrictions are imposed in light of the health concerns caused by the COVID-19 (coronavirus) pandemic.

The United States Centers for Disease Control and Prevention (CDC) has advised people to take precautions in light of the pandemic. The CDC advises that the best way to avoid illness is to avoid being exposed to the virus.

Therefore, effective immediately, the following persons shall not enter any State courthouse in Maine:

- Persons who have, within the last fourteen days, travelled to any country for which the CDC has issued Level Two or Level Three travel health notices (this list will be updated weekly);
- Persons who have, within the last fourteen days, travelled to any area of the United States for which the CDC has issued a Domestic Travel Advisory (this list will be updated weekly);
- Persons who reside or have had close contact with someone who has travelled to any of those countries or areas of the United States within the last fourteen days;
- Persons who have been asked to self-quarantine by any doctor, nurse practitioner, hospital, or health agency;
- Persons who have been diagnosed with the coronavirus or who have had contact with anyone who has been diagnosed with the coronavirus;
- Persons with apparent symptoms of COVID-19, such as fever, severe cough, or shortness of breath.

**When you arrive at a courthouse, you will be asked the following questions:**

1. In the last seven days, have you experienced any acute respiratory illness symptoms (i.e., cough, shortness of breath, sore throat), flu-like symptoms, had a fever, coughing, sneezing, or other flu like symptoms?
2. Do you live with, or have you been in close (less than 6 feet) prolonged contact, (more than 30 minutes) with someone who has or had a diagnosis of COVID-19?
3. Do you live with, or have you been in close (less than 6 feet) prolonged contact, (more than 30 minutes) with someone who has or had fever, cough, shortness of breath, or flu-like symptoms?
4. Within the last 14 days, have you traveled outside of Maine or have you had close contact with someone who has traveled outside of Maine?
5. Have you been diagnosed with COVID-19 or been asked to self-quarantine by any hospital,

health agency, nurse practitioner, physician's assistant, or doctor?

If you answer YES to any of these questions, you may be asked some follow-up questions and, depending on the answers to those questions, you may be allowed to enter or refused entrance and provided with a contact number so that you may be assisted.

**If you refuse to participate in the screening process, you will be refused entrance and provided with a contact number so that you may be assisted.**

**In order to comply with CDC recommendations and to protect the public and court staff, anyone attempting to enter in violation of these protocols will be denied entry by a Judicial Marshal.**

If you have a scheduled court hearing or are otherwise required to appear at one of the courthouses in Maine, and you cannot enter the courthouse as a result of these protocols, you should proceed as follows:

- If you are represented by an attorney, please contact your attorney;
- **If you are seeking protection from abuse, call the local police, or 207-753-2999;**
- If you are not represented by an attorney, please call **207-753-2999** to speak to a clerk about your case;
- If you are an attorney and you are scheduled to appear in court, please call **207-753-2999** to speak to a clerk about your case.

These restrictions will remain in place temporarily, until it is determined safe to remove them. All persons who believe they have been exposed to the coronavirus should immediately contact their healthcare providers.
