We are in unprecedented times dealing with the Coronavirus COVID-19.**

Be assured that your MAMES office is working on a state and national level on the questions/issues relating to your ability to continue to serve your clients, such as calling on CMS to waive regulations, i.e., F2F requirements, follow-up visits, etc.

We will share updates as they become available.

2020 MAMES Spring Excellence in HME MIDWEST - CANCELLED

MAMES is saddened to announce that the 2020 MAMES Spring Excellence in HME MIDWEST scheduled for April 28 – 30, 2020 has been cancelled due to the Coronavirus COVID-19 emergency.

At this time we are preparing to move all of the programming currently scheduled for this event to the 2020 MAMES MIDWEST fall event scheduled for October 7 – 9, 2020 in the hopes that things will settle down as we move through the coming spring, summer and fall.

Attendees who are currently registered for the spring event have the option to have the registration fee refunded or moved to the fall 2020 MAMES MIDWEST event. Please email your preference to: info@mames.com and we will make the move or send a refund check.

MAMES will be honoring the Register One get One Free registration promotion for the fall 2020 MAMES MIDWEST event for all MAMES Members.

Exhibitors: Per our Associate Member Committee call on Monday, March 16, 2020. We will move all registrations forward to the fall 2020 MAMES MIDWEST event or process a refund based on the registration. Please contact Jim at the MAMES office to discuss the best way forward for your company.

As always if you have any questions please email Jim at info@mames.com
