Warning: Tramline is steep and not maintained!

If you proceed, be alert! If you trip or fall, you could be seriously injured or killed.

If in doubt, stay away.

Warning to Hikers:

Climbing the Tramline can be exhausting and physically challenging. Be prepared with water, shoes, and sun protection. Drink often to avoid dehydration and heat exhaustion. Watch your step. Step with caution and go slow. Rest often. A misplaced step could make you slip and fall.

For your safety, stay on the Tramline at all times. Shooting Range directly below the Tramline.
