

## REQUIREMENTS FOR ORIGINAL OPTOMETRY LICENSURE

- Applicants must have attained their 18<sup>th</sup> birthday.
- The academic requirements are at least six calendar years at the college level, four years of which shall have been completed in an accredited college of optometry or university school of optometry.
- All final transcripts from preprofessional and professional schools must become part of the application file. Transcripts will be considered valid only when received from schools with official seal thereon. A copy of your diploma must become a part of your file.
- Contact the NBEO office **800-969-3926**, directly for information on application and deadlines for the NBEO examinations. Maryland requires passage of Parts **I, II and III, for licensure**. The Maryland Board accepts the NBEO Passing score on these examinations.
- A recent **passport size** photograph must accompany the application.
- The application fee is \$300.00. Application fees are not refundable.
- A letter of recommendation from each person listed on the application.
- Verification of License. If you are now or ever been licensed in any state, verification must be completed by the licensure board in each state. This verification must come directly to the Board from the licensure board office. If you have need of additional verification forms, you may copy the blank form and send it directly to the other states.
- Maryland requires passage of an examination on the Maryland Optometry Law. This is an open book examination with a passing score of 75.
