Thank You To Our Diamond Sponsor

Inspired by patients. Driven by science.
Keynote Speaker

DR. BISOLA OJIKUTU
Executive Director, Public Health Commission
Bisola Ojikutu MD MPH is a nationally recognized physician leader, health equity researcher, community advocate and expert in the prevention, care, and treatment of infectious diseases. Dr. Ojikutu was appointed Executive Director of the Boston Public Health Commission (BPHC) in September 2021.

As Executive Director of the BPHC, the City’s health department, Dr. Ojikutu manages a budget of $162M and leads 1,200 employees to protect, preserve, and promote the health and well-being of all Boston residents, particularly the most vulnerable. Dr. Ojikutu is a key advisor to Boston's Mayor on health issues and builds innovative partnerships across city departments and within Boston's communities to positively impact the health of all city residents. Among other public health priorities, she is committed to addressing racism as a public health crisis and advancing health equity.

Dr. Ojikutu is an Associate Professor of Medicine at Harvard Medical School and a faculty member within the Division of Global Health Equity at Brigham and Women's Hospital. She also holds appointments within the Infectious Disease Division at Massachusetts General Hospitals and is an adjunct faculty member at The Fenway Institute. She has led research and developed programs focused on increasing access to health care among marginalized populations funded by the National Institutes of Health, the Patient Centered Outcomes Research Institute and the Health Resources and Services Administration (HIV/AIDS Bureau). Most recently, Dr. Ojikutu served as Director of the Community Engaged Research Program and the Associate Director of the Bio-Behavioral and Community Science Core for the Harvard Center for AIDS Research. She is widely published in peer-reviewed journals including, the New England Journal of Medicine and the American Journal of Public Health, and is the co-editor of two comprehensive textbooks detailing strategies to address the ongoing HIV epidemic with Black and Latinx communities, HIV in US Communities of Color. In 2018, she was appointed co-Chair of the Getting to Zero Statewide Campaign Comprehensive Care Committee to reduce HIV infections in Massachusetts. In recognition of her efforts, she was named a Hero in Action by AIDS Action Committee of Massachusetts and a Community Hero by Action for Boston Community Development.

Dr. Ojikutu also has significant international experience. As a Senior Advisor at John Snow Inc, Dr. Ojikutu directed a $30 million project that provided program management, strategic planning and technical assistance to improve HIV care and treatment to 15 countries in sub-Saharan Africa and Latin America. She is also the former Director of the Office of International Programs at Harvard Medical School.

Dr. Ojikutu graduated from Johns Hopkins School of Medicine. She completed internal medicine residency at New York Presbyterian Hospital-Cornell and Infectious Disease Fellowship at Massachusetts General/Brigham and Women's Hospital. She is a former Commonwealth Fund Fellow in Minority Health Policy and has a Master’s in Public Health in Health Policy and Management from the Harvard School of Public Health. She is board certified in internal medicine and infectious diseases and is a Fellow of the Infectious Disease Society of America.

Registration and attendance at, or participation in, MSHP meetings and other activities constitutes an agreement by the registrant to use and distribution (both now and in the future) of the registrant for attendee's image or voice in photographs, videotapes, electronic reproductions, and audiotapes of such events and activities by MSHP and other third parties.

Don’t forget to use #MASHP22 when posting on social media!
How to Join

We recommend you sign in prior to the conference to familiarize yourself with the platform and add any information to your profile that you’d like to include.

You’ll also be able to:

• View the full conference agenda
• View the poster hall
• Create a personalized profile, including a headshot, for better engagement with other attendees.

**Step 1:**
Open the Virtual Experience Link Below

[https://ve.attendify.com/index/fnmik2/s_fnmik2/login](https://ve.attendify.com/index/fnmik2/s_fnmik2/login)

**Step 2:**
Create a profile and select a password

How to access Attendify via a mobile device

**Step 1:**
Download the Attendify App in the Apple or Google Play Store

We highly encourage you download the phone app in advance. This will enhance your experience during the meeting. Using both the phone app and web-based program provides the best experience.

Please allow notifications to receive messages from other attendees and occasional important notices from event staff

**Step 2:**
In the Search bar, type “MSHP” and the event will appear

Click on it, then click “Join”

Enter the same e-mail address as used on your registration. Enter or create a password

The Activity Stream will be the landing page once logged in, but you can navigate to other pages in the app through the three-line icon in the top left corner of the app.
Enduring CE can be completed at any time during the conference or within 30 days after.

**Sterile Compounding CE via Home study**

Joelle Hall – The Future is Now: Understanding the Role of Robotics in IV Sterile Compounding Workflows \(^{PT,SC}\)

Nathan Cookson - Sterile Compounding Cleanroom Remediation: A Community Hospital’s Experience with Corrective Action \(^{PT,SC}\)

Scott Shepard – Creating a successful sterile compounding training program \(^{PT,SC}\)

Kevin Krueger – The Future of Sterile Compounding: Managing Regulatory Changes and Utilizing IV Technology \(^{PT,SC}\)

Conor McGladigan – Sterile Compounding Policies and Procedures - Drafting for Success \(^{PT,SC}\)

| 3:45-4 PM      | Break                                                                                             |
| 4-5 PM         | **General Session (Law CE)**
|                | Abimbola Cole & Maria Perella - Post-Marketing Drug Safety and Pharmacovigilance for Pharmacists **PT** |

**P** = pharmacist CE; **T** = technician CE; **SC** = sterile compounding CE; **I** = immunization CE; **L** = law CE

**Requirements for Receiving CE Credit:**
- Successful completion of post-presentation questions
- Participation at live program
- Complete program evaluation form

Note: CE credit can be claimed through the links provided in the schedule on the Attendify app

**Statement of disclosure:** Disclosure will be made on the day of the program regarding any interest or affiliation a speaker may have with a supporting organization.
The Future is Now: Understanding the Role of Robotics in IV Sterile Compounding Workflows
Joelle Hall, PharmD, MS; Manager – Pharmacy Infusion Operations; Dana Farber Cancer Institute
- List available IV compounding robotic options
- Summarize risks associated with IV compounding robotics
- Recognize benefits of IV compounding robotics to non-robotic options
  ◎ 0837-9999-22-078-H07-P
  ◎ 0837-9999-22-079-H07-T

Sterile Compounding Policies and Procedures-Drafting for Success
Conor McGladrigan, PharmD, JD, BCSCP; Community Medical Liaison; Syneos Health
- Describe the importance of policies and procedures as part of an effective compliance program
- List the policies and procedures required by USP 797 & USP 800
- Describe the elements necessary for effective policies and procedures
  ◎ 0837-9999-22-082-H07-P
  ◎ 0837-9999-22-083-H07-T

The Future of Sterile Compounding: Managing Regulatory Changes and Utilizing IV Technology
Kevin Krueger, PharmD, MBA, MHA; Pharmacy Operations Manager, Compounding Services; Massachusetts General Hospital
- Describe the impeding changes of compounding regulations outlined by the new USP 797 revisions
- Discuss the potential impact of new regulation on compounding practice
- Recognize the benefits on IV technology in creating a new era of compounding practice
  ◎ 0837-9999-22-084-H07-P
  ◎ 0837-9999-22-085-H07-T

Creating a successful sterile compounding training program
Scott Shepard, PharmD, RPH, BCSCP; Manager- Pharmacy Regulatory Compliance; UMass Memorial Medical Center
- Recognize existing barriers to sterile compounding training for new employees
- Identify skills that translate well to sterile compounding
- Select training materials & training formats that reduce the negative stigma associated with sterile compounding training
  ◎ 0837-9999-22-086-H07-P
  ◎ 0837-9999-22-087-H07-T

Sterile Compounding cleanroom remediation: A community hospital’s experience with corrective action
Nathan A. Cookson, PharmD, BCPS; Clinical Pharmacy Coordinator; St. Vincent Hospital
- List several common sources of cleanroom failures in the pharmacy
- In response to an environmental monitoring action level alert, develop a list of possible sources of contamination
- Select the most appropriate corrective action when given a list of investigation findings
  ◎ 0837-9999-22-088-H07-P
  ◎ 0837-9999-22-089-H07-T
The 7 Habits of Highly Effective Preceptors
Thu Oanh Dang, PharmD, BCOP; Clinical Oncology Pharmacist; Massachusetts General Hospital

- Discuss the Seven Habits of highly effective people by Stephen R. Covey
- Apply the Seven Habits towards a preceptor role
- Distinguish the Seven Habits to apply towards other roles that a person plays throughout his/her lifetime
- Outline a plan to practice and to teach the Seven Habits to people within their circle of influence
- Be a Compassionate PRECEPTOR LEADER
  ◐ 0837-9999-22-042-L04-P

Critical Components of Effective Feedback and Evaluation
Bryan D. Hayes, PharmD, DABAT, FAACT, FASHP; Clinical Pharmacy Manager; Massachusetts General Hospital; Associate Professor of Emergency Medicine; Harvard Medical School

- Define the terms feedback and evaluation
- Provide feedback to learners of a different generation
- Explain the importance of separating the action from the person
  ◐ 0837-9999-22-043-L04-P

Wellness & Resilience in our Residency Programs
Kathleen Belusko, PharmD, BCPS; PGY1 Pharmacy Residency Program Director; UMass Memorial Medical Center
Justine Dickson, PharmD, BCACP; Renal Transplant Clinical Specialist; Boston Medical Center
Hannah Spinner, PharmD, BCCCP; Critical Care Clinical Specialist; Baystate Health

- Identify strengths and weaknesses of wellness/resilience programs previously implemented at different residency programs
- Provide examples of successful interventions for programs interested in implementing wellness/resilience programs
- Discuss potential solutions to identify, treat, and prevent resident burnout through implementation of wellness/resiliency programs
  ◐ 0837-9999-22-044-L04-P

Technician Burnout: Reigniting the Flame
Beth Milaszewski, LICSW; Clinical Director, Employee Resilience Program; Boston Medical Center

- Identify sources and symptoms of stress for healthcare workers
- Explain what Stress First Aid is
- Describe the Stress continuum
- Explain the core actions of Stress First Aid
  ◐ 0837-9999-22-046-L04-P
  ◐ 0837-9999-22-047-L04-T

Ambulatory Pharmacy: Bridging the Gap Between Inpatient and Outpatient
Michél Van Rader, CPhT; BMC Specialty Pharmacy Liaison; Boston Medical Center
Regine Robert, CPhT; BMC Specialty Pharmacy Liaison; Boston Medical Center
Ian Virgin, CPhT; BMC Specialty Pharmacy Liaison; Boston Medical Center

- Identify two ways in which patients benefit from pharmacy liaison support in the ambulatory setting
- Describe the advantages a health system retail pharmacy has when clarifying prescription order for patients within the organization
- Outline three ways in which ambulatory liaisons can support their patients without direct pharmacist oversight
  ◐ 0837-9999-22-048-L04-P
  ◐ 0837-9999-22-049-L04-T

Pharmacy Technicians Give Immunization a SHOT!
Andrea Capone, CPhT; Sterile Products Lead Pharmacy Technician; Beth Israel Deaconess Medical Center
Elizabeth Haftel, PharmD, MPH; Pharmacy Vaccine Coordinator; Beth Israel Deaconess Medical Center

- Recognize the rising role of the pharmacy technician in everyday pharmacy practice activities
- Outline protocols allowing pharmacy technicians to administer vaccinations in pharmacy settings
- Identify and develop programs for integration of pharmacy technicians into pharmacy immunization clinics
  ◐ 0837-9999-22-050-L06-P
  ◐ 0837-9999-22-051-L06-T
May 19th Live Programming

Structural Racism, Medical Mistrust and Infectious Diseases: Where do we go from here?
Bisola Ojikutu, MD, MPH; Commissioner of Public Health, City of Boston, Executive Director, Boston Public Health Commission

- Define key terms: systemic inequity, structural racism, structural competency, and medical mistrust
- Summarize the impact of structural racism and medical mistrust on infectious disease transmission and outcomes
- Identify provider-level and public health responses to address these challenges
  ◦ 0837-9999-22-052-L01-P
  ◦ 0837-9999-22-053-L01-T

Hit Me With Your Best Shot: Update on COVID-19 Boosters, Pneumococcal and Shingles Immunizations
Ann-Marie Idusuyi, PharmD; Clinical specialist in infectious diseases; The Miriam Hospital Infectious Diseases and Immunology Center

- Identify patients who may benefit from receiving a COVID-19, shingles or pneumococcal immunization
- Summarize the data supporting the recommendations for COVID-19, shingles and pneumococcal immunizations
- Apply updated vaccine recommendations for COVID-19, shingles and pneumococcal disease to clinical practice
  ◦ 0837-9999-22-054-L06-P
  ◦ 0837-9999-22-055-L06-T

Solid Organ Transplant Clinical Update
Miae Kim, PharmD, MS, BCPS; Cardiac Transplant/MCS Clinical Specialist; Center for Advanced Heart Disease, Brigham and Women’s Hospital
Steven Gabardi, PharmD, BCPS, FAST, FCCP; Abdominal Organ Transplant Clinical Specialist; Brigham and Women’s Hospital; Assistant Professor of Medicine; Harvard Medical School

- Summarize newer immunosuppressive medications used in organ transplantation
- Review the pharmacologic options available for organ transplant recipients in preventing and treating COVID-19
- Classify and describe the new pharmacologic options for prevention and treatment of Cytomegalovirus disease in organ transplant recipients
  ◦ 0837-9999-22-056-L01-P

MSHP 2022 Annual Meeting Clinical Pearls
Carolyn Hall, PharmD, BCPS
Cedric White, PharmD
Lauren Fleser, PharmD

Lauren Stummer, PharmD, BCPP
Maha AlDoughaim, PharmD
Maha Assadoon, PharmD
Nicholas Palisano, PharmD

- Describe the pathophysiology and pharmacology of unique clinical scenarios
- Explain literature regarding the diagnosis and treatment of unique clinical scenarios
- Recognize any adverse events, side effects, or precautions associated with unique clinical scenarios
  ◦ 0837-9999-22-057-L01-P

Hospital at Home—The Next Frontier
Neil A. Gilchrist, PharmD, MBA, BCPS, DPLA; Chief Pharmacy Officer; UMass Memorial Medical Center
Lorie Gull, RPh, MBA, DPLA; Manager, Pharmacy Operations; UMass Memorial Medical Center

- Describe the evolution of hospital at home program and why this has recently expanded in many health systems
- Define the benefits of a hospital at home admission from a patient and family perspective
- List 3 challenges that should be considered when developing hospital at home pharmacy services
  ◦ 0837-9999-22-059-L04-P

The 340B Program, No Beach Vacation but a Journey Worth the Reward
Shawn Wood, MBA, 340B ACE; Director of Pharmacy 340B Programs; Beth Israel Deaconess Medical Center

- Recognize the basics of the 340B Program and identify compliance requirements
- Explain the external threats to the 340B Program and mitigation strategies
- Summarize strategies for a successful 340B Program
  ◦ 0837-9999-22-060-L07-P
  ◦ 0837-9999-22-061-L07-T

Drug Shortages: Origins, Strategies & Forecasts
Alex Wilkocki PharmD, MBA, BCPS; Manager of Procurement; Tufts Medical Center

- Define & discuss causes of drug shortages
- Discuss an appropriate mitigation strategy for a drug shortage
- Review and evaluate a mitigation strategy for a medication
  ◦ 0837-9999-22-062-L04-P
  ◦ 0837-9999-22-063-L04-T
ASHP Delegate Town Hall: 2022
Monica V. Mahoney, PharmD, BCPS, BCIDP; Clinical Pharmacy Specialist, Infectious Diseases
Outpatient ID/OPAT Clinics; Beth Israel Deaconess Medical Center
Marla O’Shea-Bulman PharmD BCPS, SIDP-C; Pharmacy Clinical Coordinator; Cooley Dickinson Hospital
Jackie MacCormack-Gagnon, PharmD, BCPS; Director of Medication Use Policy and Informatics; Massachusetts General Hospital
Francesca Mernick, PharmD, BCPS; Drug Policy Clinical Coordinator; Massachusetts General Hospital

- Describe the process of the ASHP House of Delegates (HODs) and professional policy development
- Identify selected ASHP professional policies that will be reviewed at the 2022 Annual Session of the House of Delegates in June
- Discuss the perspectives of MSHP members on the policies presented
  * 0837-9999-22-064-L04-P

The State of the State: Regulatory Update May 2022
Jackie MacCormack-Gagnon, PharmD, BCPS; Director of Medication Use Policy and Informatics; Massachusetts General Hospital
Michelle Chan, RPh; Quality Assurance Pharmacist; Massachusetts Board of Registration in Pharmacy
William Frisch Jr., RPh; Director of Pharmacy Compliance; Massachusetts Board of Registration in Pharmacy

- Identify the differences between legislation and regulations
- Describe the process to implement new regulations
- Review the mission of the MSHP Legislative Committee and their top 3 priorities for 2022
  * 0837-9999-22-073-L03-P
  * 0837-9999-22-075-L03-T

Post-Marketing Drug Safety and Pharmacovigilance for Pharmacists
Maria Perella, PharmD, BCPS; Clinical Pharmacist, Investigational Drug Services; UMass Memorial Medical Center
Abimbola Cole, PharmD, MPH; Senior Principal Pharmacovigilance Scientist; Takeda Pharmaceuticals

- Outline the history of and current federal regulatory requirements surrounding pharmacovigilance, including regulatory requirements under 21 CFR 314.80
- Describe the current state of post-marketing surveillance and processes surrounding adverse event reporting, including strengths and opportunities
- Discuss how industry sponsors collect, analyze, and convey emergent safety findings to the public
  * 0837-9999-22-074-L03-P
  * 0837-9999-22-076-L03-T

MSHP Board of Directors

PRESIDENT
Russel J. Roberts, PharmD, FCCM, BCCCP

PRESIDENT-ELECT
Monica V. Mahoney, PharmD, BCPS, BCIDP, FCCP

IMMEDIATE PAST PRESIDENT
Karl Gumpper, MSMI, RPh, CPHIMS, FASHP

SECRETARY
Antonia DeQuevedo, PharmD, CACP, BCACP

TREASURER
Ruchit Marfatia, PharmD, MSCR, BCCCP, BCIDP

DIRECTORS
Neil Gilchrist, PharmD, MBC, BCPS, DPLA
Kevin Horbowicz, PharmD, BCPS
Erin Taylor, PharmD
Jason Mordino Pharm.D., BCCCP

ASHP Delegate Panel
Francesca Mernick, PharmD, BCPS
Jacqueline MacCormack-Gagnon, PharmD, BCPS
Monica Mahoney, PharmD, BCPS, BCIDP, FCCP
Marla O’Shea-Bulman, PharmD, BCPS
**Co-Chairs:** Emily Dionne and Nick Servati

**Events.** Affiliated events or as separate stand-alone in conjunction with MSHP- or school-pharmacy students, pharmacy residents, and recent graduates to network and participate in MSHP-affiliated activities or as separate stand-alone events.

**Co-Chairs:** Erica Housman and Jeff Pearson

**Communications Committee**
The Communications Committee is responsible for communicating the news of the Society and relevant pharmacy issues to the membership. The committee is comprised of several sections: the MSHP Website, social media and the Newsbriefs. Email blasts are sent directly to membership from the MSHP office.

**Newsbrief Co-Chair:** Barbara Irby

**Social Media Co-Chair:** Monica Mahoney

**EARLY CAREERIST NETWORK (ECN) COMMITTEE**
The Early Careerist Network (ECN) provides an opportunity for current pharmacy students, pharmacy residents, and recent graduates to network and participate in MSHP-affiliated activities. The ECN also provides a platform for professional growth through mentorship. The ECN Committee is responsible for planning and providing opportunities/events and resources for Early Careerists (students, residents and new practitioners), in conjunction with MSHP- or school-affiliated events or as separate stand-alone events.

**Co-Chairs:** Emily Dionne and Nick Servati

**The Honors/Awards Subcommittee**
Solicits nominations for MSHP awards according to predetermined criteria, objectively evaluates the nominations for each award using a rubric designed specifically for each award, and selects award recipients.

**Chair:** Bryan Cook

**Legislative Committee**
The Legislative Committee shall monitor current the legislative and regulatory activities in Massachusetts. The Committee will provide testimony on bills and regulations as appropriate. The Committee will also liaise with other state Pharmacy professional organizations. The Committee may also work with other hospital stakeholders such as the Massachusetts Hospital Association on legislative and regulatory matters.

**Co-Chairs Jackie MacCormack-Gagnon and Jinkyu Lee**

**Membership Committee**
The Membership Committee is responsible for maintaining a current record of all member institutions and liaisons for each institution, facilitating communication to member institutions regarding upcoming MSHP events, and organizing activities to help recruit new members to MSHP. Activities of the committee will include but are not limited to reviewing current cost structures for membership hospitals, outreach to nonmember hospitals to increase MSHP recruitment, and collaborating with other MSHP committees to plan and organize recruiting events.

**Chair:** Mattia Migliore

**Pharmacy Technician Committee**
The Pharmacy Technician Committee develops strategies to implement programming and benefits specifically targeted toward the technician members of the Society. The committee’s role is to enhance pharmacy technician education and training, focus on the exchange information with pharmacy technician peers and health-system pharmacists from diverse organizations within MSHP, and promote the role of pharmacy technicians as integral members of the health care team.

**Chair:** Julie Lanza

**Programming Committee**
The Programming Committee is responsible for ensuring consistent and efficient continuing education (CE) programming for the MSHP membership as well as overseeing non-CE programming for MSHP. The Programming Committee works closely with the Pharmacist CE chair and the Pharmacy Technician Committee chair to coordinate CE content for MSHP members. Additionally, the Programming Committee oversees the Annual Meeting Subcommittee and the Honors/Awards Subcommittee.

**Chair:** Yulia Murray

**Residency Program Committee**
The Residency Program Committee is responsible for developing strategies to encourage the development of best practices in residency training within Massachusetts pharmacy residency programs. The committee also facilitates the development and expansion of residency programs within Massachusetts. Additionally, the residency program committee plans and provides opportunities for networking between residency program directors and residents at MSHP-affiliated events or as independent activities. The committee also contributes to preceptor development and pharmacy resident focused programming at MSHP events and works closely with the Early Careeerist Network (ECN) and Programming Committee to sponsor events and educational programming.

**Co-Chairs:** Karrine Brade and Frank Szczerba
**REQUIREMENTS FOR CREDIT**

All continuing pharmacy education programs accredited by the University of New England College of Pharmacy are transferred electronically to the National Association of Boards of Pharmacy (NABP) CPE Monitor System. Participant names will be checked against attendance sheets for verification of attendance. Go to NABP.net to obtain a pharmacist specific NABP ID number. NO credits will be issued after 60 days from the original program date. No statements of credit will be issued. 20.0 contact hours of continuing pharmacy education credits are the maximum amount of credits, live (up to 9) and enduring, that can be earned for participation in this program. Education credits are the maximum amount of credits, live (up to 9) and enduring, that can be earned for participation in this program.

**REQUIREMENTS FOR RECEIVING CE CREDIT**

- Successful completion of post-presentation questions
- Participation at live program
- Complete program evaluation form
- Please be sure to sign in to receive credit
