

MSHP – Early Careerist Network

- ❑ What is the ECN?
  - An **opportunity** for current pharmacy students, pharmacy residents, and recent graduates to network and participate in MSHP.
  - A **response** to the impending leadership deficit referenced in the pharmacy literature.
  - A **platform** for professional growth through mentorship.
- ❑ What are early careerists
  - Students in Pharmacy School,
  - PGY1 and PGY2 pharmacy residents
  - Pharmacy Fellows
  - New pharmacist practitioners who have been in practice for less than 10 years
- ❑ Goals of the ECN
  - Mentorship
  - Match pharmacy students with residents and Early Careerists
  - Match Early Careerists with seasoned pharmacists and senior leaders
  - Networking
  - Coordinate events for Early Careerists to get to know each other and learn about MSHP
  - Communicate through Social Media
  - ECN Linked In Group
  - MSHP Facebook page/Twitter
- ❑ Why get involved in the ECN
  - An opportunity to socialize with classmates, students from other schools, residents, and pharmacists working in the state
  - Leadership positions within the ECN can provide an opportunity to differentiate oneself during the residency application process
  - The ability to be provided with a mentor in a career path you are interested in
