

The MVMA Charities had an exciting and successful year.

**Stray Animal Program:** New communities enrolled to access funds to save the lives of animals in Massachusetts.

**Emergency & Disaster Program:** More veterinarians and vet techs were trained to instruct first responders in Basic Animal Rescue Training (BART).

**MetroWest K9 5K:** We had our best event yet - with more vendors, more participants, and more family fun! Stay tuned for 2019 event information coming soon.

We are looking forward to a great 2019 and hope the [MVMAC](#) fits into your giving plan this year!
