

Bryan Bolt – Director

TopTec Products

Bryan has been involved in the tent industry since 2004, starting out as a service support specialist. After years of experience, he has become an expert in technical installations. With a passion for education and safety in the tent industry, Bryan is a valuable contributor to the MATRA Board as the Education Chair.

In addition to his duties as Sales Manager, he is proud to be responsible for TopTec Tent School, which has been a great resource for industry professionals. Bryan is also a 1994 Graduate of Clemson University and a season ticket holder for home football games since 1982. “Go Tigers!”
