## **President's Message**

The **Manufacturer's and Tent Renters Association** has seen an amazing year as it continues to evolve with the tent industry!

Our 2024 Conference returned to Mohegan Sun in Uncasville, CT and we continue to break our own record with attendance! Members enjoyed an impressive outdoor display with the latest innovation in the tent industry, engaging educational content, exciting games, a PPE Fashion Show and entertaining evening events.

**The Essentials of Anchoring** inaugural session was held at The Tent Show in November. MATRA was proud to host this first in person, hands -on session toward the **Safe Tenting Professional Certification**. This educational program designed for tent installers was developed in collaboration with the American Rental Association (ARA) and Advanced Textiles Association Tent Rental Division (ATA TRD). Since the launch, installers all over the US have attended many in person training sessions hosted by the three associations and it is wonderful to know there are hundreds of business owners and installers who are investing in their future and who will contribute to a safe and knowledgeable industry of tenting professionals.

Our Events and Education committees planned and executed phenomenal programs for **Spring Training** hosted ProEm in Phoenix, AZ as well as Anchor Industries in Evansville, IN. The days were packed with valuable education, impressive facility tours and fun evening social events.

I'm grateful for our hard-working board of directors, committees and management team for all they contribute to make this association and the events we produce amazing!

In fall 2025, The Tent Show will be heading south to **The Grandover Resort & Spa in Greensboro, NC!** This new location is centrally located for many of our members in the south and easy to travel to for those around the US and Canada. (There is also a golf course and a spa!) I look forward to seeing you all at the show November 3-6, 2025!

I wish everyone a wonderful season of safe tenting!

Liz Wilson

## **Executive Director Message**

Welcome to MATRA, the Manufacturers and Tent Renters Association. To those who have continued to build this Association from the start, a word of gratitude to you for your continued support and direction. For those that are new to MATRA, welcome! MATRA remains an integral part of building Association partnerships through our membership and *education*. We were pleased to offer our Spring Training in 2025, TWO locations (East & West) that was held at Anchor Industries in Evansville, IN & PRO EM Party & Event Rentals in Phoenix, AZ where our one-day education sessions were a success.

We are pleased to continue our printed membership directory for this year, along with a PDF version that will be placed on our website for our members. Additionally, we continue to educate our members through our informative articles and photos, member spotlights, product information, scholarship opportunities and Association updates in our eNewsletters.

MATRA has progressively developed and strengthened through the years. In large part, it is because of our dedicated and skilled members that this Association maintains a significant membership base which also draws upon newer companies just getting into this industry.

Trust this professional Association to work for you; use this Directory often to assist you in finding members and products. As we look for new ideas on ways to get together, either virtually or in-person, know that we will be a resource for you, our members. Be sure to Save-The-Date for The Tent Show 2025 at Grandover Resort & Spa in Greensboro, NC, 11/3-6/2025.

Thank you for your continued support of MATRA.

Sincerely,

Michael Tannen, CSEP  
Executive Director

## Facts about MATRA

MATRA was started back in 1987 as a result of a few rental companies and area vendors that desired to build a stronger relationship in the tenting industry while helping to educate rental owners about safety and new products. Since then, MATRA has continued to present area trade shows and educational conferences where the knowledge of tenting is in the forefront.

MATRA's humble beginning in the Mid-Atlantic Region has now grown considerably over the past 38 years to what is now the Manufacturers and Tent Renters Association. MATRA still is at the vanguard of being one of the best associations for the "*Tenting Professional*". Through our popular "hands-on" annual trade show conferences and our "Spring Training" sessions, MATRA continues to offer value to our members.

**Past Presidents** who have moved the vision of this association forward are:
