What is the Michigan Boating Industries Association - Political Action Committee?

MBIA-PAC is a non-partisan, non-profit, political action committee formed to raise voluntary contributions to use in supporting candidates for state and local offices who share boating concerns and are sensitive to expanding recreational boating business and opportunities.

What is the purpose of the MBIA-PAC?

MBIA-PAC ensures business men and women and their employees the opportunity to participate in the election of people who make decisions affecting our business and employment.

How are MBIA-PAC funds spent?

Based on input from MBIA members, voting records, eligibility, interviews and recommendations from MBIA lobbyists and the Board of Directors, appropriate candidates will be chosen to receive support.

MBIA-PAC's criteria for support are:

- 1) Candidates who have consistently supported recreational boating legislation.
- 2) Candidates who are supportive of a strong business climate where private enterprise can continue to grow and prosper.

Regulations of MBIA-PAC

PACs are specifically allowed by state law to encourage citizen involvement in city, county and state political processes.
