

The Recreational Boating Industries Educational Foundation

The MBIA mission is to advance, protect and promote the recreational boating industry in Michigan. In our efforts to advance the industry, we have made a commitment to provide education and support to all our members. To facilitate this education, the MBIA has created a scholarship foundation to financially assist the professional development of those in the marine industry called the Recreational Boating Industries Educational Foundation (RBIEF).

RBIEF, a not-for-profit 501(c)3 corporation, was founded in 1986, to provide financial support for education, training, and professional development in the recreational marine trades. Specifically, RBIEF's purpose is to offer financial assistance through full or matching tuition and program funding for MBIA members, member's employees, family, and students whenever funding is available. Opportunities include but are not limited to Industry Education, College Scholarships, and other educational efforts which serve to help MBIA members and the boating industry in Michigan.

Thank you for supporting RBIEF through the memory of Sally Ottenhoff.

Contribution Amount: \$ _____

Contributions are tax deductible and can be made by those interested in supporting the Foundation at any level.

Naming rights contributions of \$30,000 and higher will honor donors with named scholarships in the name of your choice.

Please send your check payable to RBIEF to the address below.

Your name: _____ Company: _____

Address: _____
