

The Recreational Boating Industries Educational Foundation

The Michigan Boating Industries Association (MBIA) mission is to advance, promote and protect the recreational boating industry in Michigan. In our efforts to advance the industry, we have made a commitment to provide education and support to all our members. To facilitate this education, the MBIA has created a scholarship foundation to financially assist the professional development of those in the marine industry called the Recreational Boating Industries Educational Foundation (RBIEF).

Charles Frantz(Chuck) was a strong supporter of MBIA and its mission. Pier 7 Marina has been an MBIA Member since 1995. Chuck will be missed by many, but his contributions to our industry will live on. Chuck's family has chosen MBIA's education foundation to be a beneficiary for those wishing to make a contribution in Chuck's name.

Thank you for supporting MBIA and RBIEF through the memory of Charles Frantz, Retired Owner of Pier 7 Marina, Bay City, MI.
