

NOTICE TO THE BAR

ADDITIONAL INFORMATION SECURITY MEASURES FOR ALL ATTORNEYS COMPLETING ANNUAL ATTORNEY REGISTRATION AND PAYMENT ONLINE – EFFECTIVE DATE JAN. 5, 2015

The New Jersey Judiciary has established a unique identity for each registered user accessing Judiciary applications, including annual attorney registration, eCourts, JEFIS, and eData. This unique identity permits users to securely update account information for registration and court communications.

This notice is to advise the bar that effective January 5, 2015, the Judiciary is implementing additional information security measures for all attorneys who submit their annual attorney registration and payment electronically. Please note that those attorneys who electronically file through JEFIS, eData and eCourts may have already completed this new security measure, as outlined in the October 16, 2014 Notice to the Bar.

The new security measure is called **Step-up Authentication** and is designed to protect the confidentiality of attorneys' personal information contained in the "My Profile," "Update Contact Information," and "Attorney Registration and Payment" tabs located on the portal front page. When attorneys access any of those three tabs in their online account for the first time on or after January 5, 2015, they will be prompted and redirected to a page on which they must complete a new set of three security questions personal to the attorney. Each time thereafter that the attorney intends to access any of those three tabs ("My Profile," "Update Contact Information," or "Attorney Registration and Payment"), including the attorney registration application, the attorney will be required to correctly answer at least one of the three security questions before being able to access the tab. The answers to the three security questions should be kept confidential by the attorney in order to reduce the risk of unauthorized access to the attorney's personal information.

If you are unable to successfully log in to these applications after January 5, 2015, please use the reset password function found on the login screen. If you continue to have difficulties, please contact the New Jersey Lawyers' Fund for Client Protection at (855) 533-3863, option #2 for assistance.

For information or concerns related to this Notice, please contact Michelle M. Smith, Clerk of the Superior Court at michelle.smith@judiciary.state.nj.us or (609) 984-4200.

Hon. Glenn A. Grant, J.A.D.
