Join the **Maryland Aviation Administration (MAA)** for a unique “behind the scenes” tour highlighting BWI Airport’s field operations and current construction activities.

**Continuing education credits.** The program also includes two continuing education sessions. The first session will highlight the A/E team’s challenges to design the International Concourse E extension and reconstruction of various runways, taxiways, and aprons while maintaining full aircraft operations. The second session will discuss future terminal extensions and daily operations. Two PDH credits are available.

**Optional networking lunch.** An optional networking lunch buffet will be held at the Olive Grove restaurant located at 705 N Hammonds Ferry Rd, Linthicum, MD.

**Registration.** Please submit the attached registration form and return it with your check made payable to the “MSPE Educational Foundation.” For security purposes, registration is required by **October 4, 2018**.

**Attendance will be limited to the first 48 respondents.** Register early! We cannot accept credit cards or PayPal.

**Cost.** A \$100 tax-deductible contribution will cover MAA’s expenses incurred with this tour. The luncheon following the tour is \$35. Any net proceeds will be donated to our featured student outreach programs—MSPE Scholarship Program and its companion Maryland MATHCOUNTS competition.

## Event agenda

8:00-8:20 am	Check-in
8:20 am	Welcome to BWI
8:30 am	Continuing Ed Session 1: Design Challenges to Extend International Concourse E Ken Krach, PE, Vice President, AECOM
9:30 am	Continuing Ed Session 2: Design Parameters for Airside Development: Runways, Taxiways, Aprons Alan Peljovich, PE, Program Manager, Airport Design Consultants
