## EVENTS

### **REGISTER NOW!** **Fostering Wood Recycling in Michigan**

October 3 | Grand Rapids, MI

Wood is a large part of Michigan's waste stream that has a dismal rate of recovery, so what are the opportunities? The workshop will focus on professionally facilitated breakout sessions that are bringing together folks from across sectors with different kinds of wood wastes to search for common solutions and opportunities. Registered attendees already include Herman Miller, The Right Place, Arauco, Michigan State Univ, Univ of Mich, Michigan Tech, and state agencies including the DNR and DEQ.
