

THE ROAD TO INNOVATION

MEDICAL MAIN STREET®

POWERED BY OAKLAND COUNTY, MICHIGAN

Doctors' *Wish List*

A PANEL DISCUSSION IDENTIFYING NEEDS AND IDEAS TO IMPROVE HEALTH CARE TECHNOLOGY AND DEVICES

SAVE THE DATE

JUNE **19** 2018

8:30 - 10:30 AM

Automation Alley
2675 Bellingham
Troy, MI

Hear firsthand from physicians and those in the supply chain on what type of innovations and product developments are needed to advance health care. Learn what devices would make the day-to-day procedures easier and the complicated treatments more streamlined — and ultimately better for the patient.

The discussion will be valuable to companies in:

- Biotechnology
- Digital Health
- Medical Device
- Software & Support
- Industry Support Services
