"Life Members: Any Active-Voting, Active, or Associate member, in good standing, with more than 10 years of continuous membership, may be elected a Life Member at the business session of any annual meeting of the Association, by a two-thirds vote of the members present and voting, provided:

Upon re-entry into honorable retirement, Life Member status shall be automatically reinstated.

Said member shall have all the rights and privileges of the membership class held at the time of election to Life Membership, except that no Life member shall hold office.

All Past Presidents of the Association who have been honorably retired from the police profession shall be granted a Life membership in this Association.

AUTHORITY:

The Board of Directors has delegated review, screening and recommending of Life membership candidates to the MACP Past Presidents' Committee. The MACP Past Presidents' Committee, in carrying out this assignment and responsibility is desirous of establishing and communicating the philosophy and procedures to be followed by that committee in making such recommendations. Contained herein are the philosophy and procedures which the MACP Past Presidents' committee will follow:

POLICY:

1. The MACP Past Presidents' Committee is desirous of recommending all qualified candidates who meet MACP constitutional requirements and who by their contributions and active participation in MACP affairs have significantly contributed to the betterment of the police profession and to this association.
2. MACP Past Presidents, who meet MACP constitution requirements, will automatically be recommended to the Board of Directors for Life Membership upon retirement from police service and receipt of application.

3. **MACP members who meet constitutional requirements for eligibility as a life member will be recommended for Life Membership after consideration of the following:**
 - Committees actively served on during MACP membership. MACP members who have not been significantly active in MACP affairs will not be recommended for membership. Membership on a committee without active participation will not result in a positive recommendation. *Regular attendance at bi-annual conferences, while considered, will not in itself without other contributions, lead to a positive recommendation for Life Membership.*
4. Personal record of eligible member. Eligible candidates must be in good standing both in MACP affairs and in their community. Candidates under indictment, public controversy, facing allegations of public corruption or impropriety, or known to be convicted of a misdemeanor or felony crime, will not be initially recommended. Such cases will be tabled for further study and report to the Past Presidents at the following annual meeting. If issues are resolved to the Past Presidents' satisfaction and judgment, candidates may be recommended for Life Membership.
5. **Excluding Past Presidents, retiring that year, the Past Presidents' Committee in their deliberations will recommend a maximum of six eligible candidates for Life Membership in the association in any one calendar year.**
6. The Past Presidents' Committee, in addition to these policies, may consider and recommend for Life Membership, if eligible, and/or for special association recognition, any retired or past association member of any membership classification, due to the exceptional contributions to the association the retiree or past member has made. The Board of Directors shall be free to accept or reject any such recommendation.

PROCEDURES TO BE FOLLOWED:
