Bills

SB6 - Employment Practices

[State Website](#)

K. Hertel (D)

Jan 23, 2025 - Senate Co-sponsor(s) Named: Stephanie Chang

Provides various employer requirements.

Legislative Progress:  Referred to Senate Labor Committee

Co-Sponsors: S. Chang (D), J. Cherry (D)

AI Summary: Senate Bill No. 6 (Michigan) amends the state's wage and fringe benefits law to enhance employee protections by defining employer and employee terms, regulating wage deductions, prohibiting employer retaliation, and requiring wage transparency. It establishes penalties for misclassifying employees as independent contractors, creates a wages and fringe benefits fund to support enforcement, and increases civil and criminal penalties for wage violations, including graduated felony charges based on the value of unpaid wages. Enforcement procedures are strengthened through expanded department authority to investigate, adjudicate disputes, and recover wages, penalties, and damages.

SB319 - Collective Bargaining

[State Website](#)

V. Klinefelt (D)

Jun 26, 2025 - Referred To Committee On Government Operations

Makes minimum staffing levels within a bargaining unit a mandatory subject of bargaining for certain public employees.

Legislative Progress:  Referred to House Government Operations Committee

Co-Sponsors: R. Bayer (D), S. Shink (D), E. Geiss (D), M. McMorrow (D), K. Hertel (D), S. Chang (D), S. Santana (D), P. Wojno (D), D. Camilleri (D)

AI Summary: Collective bargaining rights and obligations for public employees in Michigan are clarified, including exclusive representation, grievance procedures, and the scope of negotiable subjects such as wages, hours, and conditions of employment. Restrictions are imposed on collective bargaining for public school employers regarding specific policy decisions, and provisions allow emergency managers to modify or terminate agreements under the local financial stability and choice act. Minimum staffing levels are included as negotiable terms for certain public employees, with exceptions tied to reductions in public funding.

SB525 - Drone Regulation[State Website](#)

K. Hertel (D)

Mar 11, 2026 - Received: Transportation and Infrastructure Committee

Expands exceptions to prohibited use of an unmanned aircraft system.

Legislative Progress:  Referred to Committee

AI Summary: Use of unmanned aircraft systems (UAS) by Michigan state departments, agencies, boards, or commissions to surveil, inspect, gather evidence, or collect information about permitted or licensed facilities is restricted unless the facility owner consents, a valid search warrant is obtained, an imminent threat exists, the inspection involves specified infrastructure, or the UAS is used in declared emergency recovery efforts. UAS used under these conditions must be clearly marked as state-owned unless operated by the facility owner under FAA regulations with direct supervision. Data collected must be promptly shared with the facility owner and is presumed exempt from public disclosure under FOIA. Law enforcement agencies are exempt from these restrictions. This measure was referred to the second chamber committee as of March 11, 2026.

AI Summary: Sales of firearms by federally licensed dealers in Michigan are required to include either a commercially available trigger lock or a secure gun case, unless the purchaser provides their own device with proof of purchase, or the sale involves police officers, antique firearms, or non-licensed sellers. Dealers must provide safety brochures, written warnings about storage penalties, and lethal means counseling literature at no charge. Dealers and purchasers must sign compliance statements, which dealers must retain for six years, and dealers must post notices about lawful firearm storage. Civil liability protections are extended to licensed dealers and firearm producers, limiting political subdivisions from suing except under narrow contract or warranty exceptions. Modifies Michigan Amber alert act.

Legislative Progress:  Referred to Committee

Co-Sponsors: J. Cherry (D), S. Chang (D)

AI Summary: The Michigan Amber Alert Act is amended to designate the Amber Alert as the official response to reports of child abductions or certain missing children and to require activation of the Amber Alert plan for missing children believed to be in imminent danger, including children with special needs as defined by specific educational or health criteria. The act establishes the Michigan Amber Alert Fund for distributing related appropriations and prescribes penalties for prohibited conduct. The bill, identified as Senate Bill 892, has passed the first chamber as of June 10, 2026.

SB895 - Habitual Offenders[State Website](#)

S. Shink (D)

Apr 14, 2026 - Referred To Committee On Civil Rights, Judiciary, And Public Safety

Modifies habitual offender guidelines.

Legislative Progress:  Referred to Senate Civil Rights, Judiciary and Public Safety Committee

Co-Sponsors: S. Chang (D)

AI Summary: Sentencing enhancements are modified for individuals convicted of subsequent felonies in Michigan, specifying increased maximum imprisonment terms based on the number and nature of prior felony convictions. Provisions exclude convictions preceding a 10-year gap from being used for enhancement and require indeterminate sentencing with fixed minimum and maximum terms. Eligibility for parole is restricted for offenders sentenced under these enhanced provisions, particularly for serious crimes and major controlled substance offenses.

[State Website](#) 

K. Hertel (D)

Jun 18, 2026 - Received: Transportation and Infrastructure Committee

Allows operation of golf carts on streets and county roads in certain municipalities.

Legislative Progress:  Referred to Committee

AI Summary: Operation of golf carts on streets is authorized for villages, cities, and townships with populations under 65,000, subject to local resolutions and specific safety and operational requirements, including age and licensing restrictions, speed limits, and prohibitions on sidewalks and certain highways. County boards may disapprove golf cart operation in townships after a public hearing, and the state transportation department may authorize golf cart use on certain state trunk line highways under defined conditions. SB 900 (Michigan) is currently referred to committee in the second chamber as of April 15, 2026.

J. Runestad (R)

Apr 16, 2026 - Referred To Committee On Civil Rights, Judiciary, And Public Safety

Prohibits probation for certain criminal sexual conduct violations.

Legislative Progress:  Referred to Senate Civil Rights, Judiciary and Public Safety Committee

AI Summary: Probation eligibility is expanded for certain felony, misdemeanor, and ordinance violation cases excluding serious offenses such as murder, sexual conduct crimes, armed robbery, and major controlled substance offenses, allowing courts to delay sentencing up to one year to assess rehabilitation or participation in programs like drug treatment courts. Supervision fees are imposed during delayed sentencing, with differentiated rates for electronic monitoring, and courts may waive fees for indigent individuals. Definitions for electronic monitoring devices are clarified, and the act takes effect 90 days after enactment.

Requires suspension of a driver license for operating a motor vehicle while under the influence of intoxicating or alcoholic liquor or a controlled substance.

Legislative Progress:  Referred to Senate Civil Rights, Judiciary and Public Safety Committee

AI Summary: Michigan Senate Bill 919 imposes enhanced suspension and revocation penalties on commercial driver licenses and endorsements for violations involving alcohol, controlled substances, serious traffic offenses, and hazardous materials transportation. It establishes procedures for immediate out-of-service orders for commercial drivers with elevated blood alcohol content and creates a civil process ("Lucia's law") for courts to suspend or restrict driving privileges pending criminal proceedings in cases involving death or serious injury caused by impaired driving. It mandates compliance with federal security risk determinations for hazardous material endorsements and clarifies the counting and application of violations for commercial driving privileges.

SB948 - Employment Practices

[State Website](#) 

E. Geiss (D)

May 7, 2026 - Referred To Committee On Labor

Prohibits requirement for an employee to access or respond to work-related communications outside of usual work hours.

Legislative Progress:  Referred to Senate Labor Committee

Co-Sponsors: R. Bayer (D), D. Camilleri (D), M. Cavanagh (D)

AI Summary: Workplace employee boundaries are established by prohibiting employers from requiring employees to access or respond to work-related communications outside their usual work hours or designated hours of availability, with exceptions for emergencies, timely alerts, and compensated on-call duties. Retaliation against employees for exercising these rights or notifying unavailability is prohibited, and waivers of these protections are void. Remedies include filing complaints with the Department of Labor and Economic Opportunity, which may impose fines, require compensation at overtime rates for violations, and mandate employer training on workplace boundaries. Having been referred to committee in the first chamber as of May 7, 2026, the measure also mandates rulemaking to implement these provisions.

Co-Sponsors: T. Beson (R), M. Harris (R), B. BeGole (R), J. Neyer (R), W. Snyder (D), A. Witwer (D), T. Carter (D), M. Hoadley (R)

AI Summary: Amendments to Michigan's Probate Code of 1939 impose conditions on the custody, detention, and transportation of juveniles under 18, including prohibiting their confinement with adults except under specified circumstances. Juveniles 16 or older may be transported with adults if certain criteria are met, and detention facilities must meet licensing standards with operational oversight by county authorities. Provisions clarify placement options for juveniles under court jurisdiction, restrict foster care placement for certain cases, and set limits on adult detention placement duration.

AI Summary: Safe delivery of newborns is regulated by amending Michigan's Probate Code to allow parents to surrender newborns anonymously to emergency service providers or designated newborn safety devices without fear of prosecution. Procedures are established for immediate temporary protective custody, parental notification rights, and court involvement to terminate parental rights if custody petitions are not filed within 28 days. A statewide safe delivery program is mandated, including a 24-hour toll-free hotline, public information dissemination, and data reporting on newborn surrenders.

AI Summary:

Section 405 of the Michigan Worker's Disability Compensation Act is amended to expand the definition of "personal injury" to include respiratory and heart diseases for specified first responders and to establish a presumption that certain cancers diagnosed in full-time, part-time, paid on-call, volunteer, or former fire and rescue personnel arise from employment, allowing claims to be made against the Christopher R. Slezak first responder presumed coverage fund. The fund is created to pay claims for these cancers and related conditions, with provisions for claim suspension against employers, fund administration, reporting requirements, and procedures for managing insufficient funds. Eligibility for pension benefits is required before filing claims, and the fund is granted rights equivalent to an employer or carrier under the act.

AI Summary:

Procurement, operation, and deployment of small unmanned aircraft systems by public entities or their contractors are restricted to systems meeting stringent cybersecurity and privacy requirements starting one year after the act's effective date. These systems must store all collected data within the U.S., use AES-256 encryption and transport layer security, operate on secured segmented networks, require multifactor authentication and role-based access, incorporate tamper-proof hardware, enforce automatic data deletion within 45 days, and include real-time monitoring with automated countermeasures. Annual security audits and certifications under NIST Cybersecurity Framework 2.0, ISO 27001, and SOC 2 are mandated. The state police department is tasked with establishing regulations covering security assessments, privacy protections, network controls, operator training, and enforcement. The measure, HB 5330 (Michigan), was referred to committee in the first chamber as of December 2, 2025.

HB5514 - Child Care

[State Website](#) 

C. Cavitt (R)

Apr 30, 2026 - Received: Housing and Human Services Committee

Provides prohibition of use of certain restraints while transporting youths to certain qualified residential treatment programs.

Legislative Progress:  Referred to Committee

Co-Sponsors: J. Brixie (D), M. Xiong (D), D. Mentzer (D), J. Roth (R), K. Schmaltz (R)

AI Summary: Youth transportation companies are prohibited from using visual impairing devices, mechanical restraints, or physical restraints on minors being transported to youth residential treatment programs, except when physical restraints are necessary to prevent imminent serious harm and no less restrictive alternatives exist. Staff must be trained in restraint use, and restraints may only be applied as long as the risk persists. Transportation pickups are restricted between 9 p.m. and 6 a.m., though transport during these hours is allowed. Violations incur civil fines up to \$1,000, enforceable within 10 years. This measure, HB 5514 (Michigan), was referred to the second chamber committee as of April 30, 2026.

Feb 19, 2026 - Referred To Committee On Transportation And Infrastructure

Modifies definition of school zone.

Legislative Progress:  Referred to House Transportation and Infrastructure Committee

Co-Sponsors: M. Bierlein (R)

AI Summary: School zone speed limits are regulated to apply up to 30 minutes before and after regularly scheduled school sessions, with allowances for adjustments by school superintendents, including off-campus lunch periods. Definitions of school zones and schools are clarified, exclusions for limited access highways and pedestrian overpasses are established, and procedures for designating school crossings on high-speed roads are provided. Civil infractions are imposed for violations of these speed limits, and signage requirements, including "All Year School" signs and supplemental digital or flashing signs, are mandated.

AI Summary:

Local governments are authorized to regulate land development and establish zoning districts to address land use needs, ensure appropriate land use relationships, limit overcrowding, and facilitate public services, including transportation and utilities. Regulations must be uniform within each district and may target specific land management objectives, such as flood or erosion control. Zoning ordinances may control the location, height, bulk, and uses of structures, including dwellings, tents, and recreational vehicles. A new provision prohibits zoning ordinances from imposing minimum dwelling size requirements exceeding 500 square feet. This measure, HB 5581 (Michigan), was referred to committee after introduction on February 24, 2026.

AI Summary: Minimum setback requirements for dwellings and outbuildings are limited to 15 feet from the front property line and 5 feet from the rear or side property lines within local governments located wholly or partly in, or adjacent to, a metropolitan statistical area in Michigan. Setbacks may extend up to 25 feet from wetlands, inland lakes or streams, and the ordinary high water mark of the Great Lakes or Lake St. Clair, as defined by the Natural Resources and Environmental Protection Act. "Metropolitan statistical area" is defined according to the U.S. Office of Management and Budget. This amendment to the Michigan Zoning Enabling Act was referred to committee after introduction in the first chamber on February 24, 2026.

Xiong (D), T. Carter (D), P. Tsernoglou (D), J. Tate (D), L. Meerman (R), D. McKinney (D), K. Grant (D), J. Wortz (R)

AI Summary: Duplexes are permitted uses in any zoning district allowing single-family residences and must follow the same permitting procedures, with local governments prohibited from imposing bulk or size restrictions that prevent duplexes with at least 1,000 square feet per unit. Zoning ordinances cannot require more than one parking space per duplex unit or impose design, aesthetic, height, or placement requirements more restrictive than those for single-family homes, though reasonable setback and dimensional rules may be enforced if not intended to prohibit duplex construction. This amendment to the Michigan Zoning Enabling Act takes effect 180 days after enactment and was referred to committee in the first chamber as of February 24, 2026.

Longjohn (D), J. Andrews (D), M. Xiong (D), T. Carter (D), P. Tsernoglou (D), J. Tate (D), D. McKinney (D), J. Wortz (R)

AI Summary: Michigan House Bill 5585 amends the Michigan Zoning Enabling Act to define accessory dwelling units (ADUs) and establish them as permitted uses in residential zones without discretionary approval, provided they meet size, setback, and location criteria. The bill prohibits zoning ordinances from excluding mobile homes from residential zones based on non-safety-related aesthetic or construction restrictions. It also mandates that ADUs be excluded from dwelling density calculations, exempts them from parking and owner-occupancy requirements, and forbids more restrictive design or occupancy limitations than those applied to the primary dwelling. Having been referred to committee in the first chamber as of February 24, 2026, the measure takes effect 180 days after enactment.

Apr 21, 2026 - Referred To Committee On Judiciary

Modifies making terrorist threat or false report of terrorism.

Legislative Progress:  Referred to House Judiciary Committee

Co-Sponsors: T. Kuhn (R), D. Steele (R)

AI Summary: Section 543m of the Michigan Penal Code is amended to define and criminalize making terrorist threats or false reports of terrorism, including knowingly communicating threats or false reports with reckless disregard or intent. Penalties are established as a felony punishable by 5 to 20 years imprisonment, with possible fines up to \$20,000. The amendment clarifies that lack of intent or capability to commit terrorism is not a defense and defines "reckless disregard" as conscious disregard of a substantial risk that a communication will be viewed as threatening violence.

Apr 21, 2026 - Referred To Committee On Regulatory Reform

Provides authority to obtain criminal history records and fingerprints.

Legislative Progress:  Referred to House Regulatory Reform Committee

Co-Sponsors: J. Aragona (R), T. Liberati (D)

AI Summary: House Bill 5832 (Michigan) imposes requirements for state and national fingerprint-based criminal history checks on individuals applying for or holding casino, supplier, or occupational licenses, as well as certain employees, agents, and contractors associated with the Michigan Gaming Control Board. It mandates the Michigan State Police to conduct these checks, retain fingerprints in an automated identification system with automatic notification of new criminal information, and prohibits sharing criminal history records with private entities. The bill specifies detailed categories of license levels and positions subject to these checks, including directors, managerial employees, and qualifying businesses related to casino and supplier licensees.

AI Summary: Behavioral health transport services are established in Michigan to provide emergency transportation for individuals experiencing a mental health crisis who are medically stable and do not require medical intervention or restraints during transport. Licensed behavioral health transport agencies must operate vehicles meeting specific safety and equipment standards, employ trained staff, and follow detailed policies ensuring individual rights, confidentiality, and safety. Transport is limited to one individual per vehicle, with exceptions requiring two attendants for minors or long-distance trips. Agencies must report annually to the legislature and comply with oversight by medical control authorities. Having been referred to committee in the first chamber as of May 12, 2026, the measure awaits further legislative action.

AI Summary: Michigan HB 5949 amends the Michigan Vehicle Code to require the Secretary of State to maintain a computerized central file of motor vehicle registration applications interfaced with the law enforcement information network. It establishes a voluntary communication impediment designation for vehicle owners and license holders who have conditions such as deafness or autism that may impede communication during traffic stops, requiring certification from licensed health professionals. The measure mandates the issuance of a free communication impediment decal for vehicles and allows law enforcement limited access to this designation. It also includes provisions for revoking fraudulent or abused designations and imposes misdemeanor penalties for false statements. The bill, which was referred to committee in the first chamber on May 12, 2026, does not take effect unless HB 5950 is enacted.

Rogers (D), B. BeGole (R), C. Rheingans (D), M. Koleszar (D), J. Aragona (R), S. Frisbie (R), B. Carter (D), M. Harris (R), B. Coffia (D)

AI Summary: A post-traumatic stress injury fund is established in the Michigan state treasury to pay claims authorized under the worker's disability compensation act and cover administrative costs. The state treasurer manages deposits, investments, and earnings, while the director administers the fund, oversees audits, and must notify the legislature if funds are projected to be insufficient within 60 days. The director is required to submit annual reports detailing claims, payments, and administrative costs, and provide fiscal year estimates of benefit costs and potential shortfalls to appropriations committees. The fund holds the same rights as an employer or carrier under the act. Having been referred to committee in the first chamber as of May 12, 2026, the act's effectiveness depends on the enactment of companion legislation.

Rogers (D), B. BeGole (R), C. Rheingans (D), M. Koleszar (D), J. Aragona (R), S. Frisbie (R), B. Carter (D), M. Harris (R), B. Coffia (D)

AI Summary: Post-traumatic stress injury benefits are established for eligible Michigan public safety workers diagnosed with PTSD following qualifying traumatic events experienced in the course of employment, allowing claims to be suspended against employers and made to a newly created post-traumatic stress injury fund. Eligibility requires at least five years of service in specified occupations, a diagnosis by a qualified mental health professional, and filing within 180 days of diagnosis. PTSD is presumed work-related unless rebutted by clear medical evidence, and claim hearings must be prioritized and held within 90 days. The director is tasked with managing the fund's application and approval process, with claims decided within 30 days. This measure was referred to committee in the first chamber as of May 12, 2026.

[State Website](#)

P. Outman (R)

May 13, 2026 - Referred To Committee On Transportation And Infrastructure

Modifies penalties for moving violation causing death or serious impairment.

Legislative Progress:  Referred to House Transportation and Infrastructure Committee

AI Summary: Penalties are established for moving violations causing death or serious bodily impairment under Michigan vehicle code section 601d, including misdemeanors punishable by imprisonment up to one year or fines up to \$2,000 for violations causing death, and shorter imprisonment terms with escalating fines for violations causing serious impairment. Convictions causing serious impairment require issuance of a restricted license for at least one year and completion of a court-approved driver improvement course, with point reduction upon completion. A second serious impairment violation within seven years results in a two-year license suspension without eligibility for a restricted license. The measure, which clarifies definitions and penalties, was referred to committee after introduction on May 13, 2026.
