

## **Ralph A. Rebandt, II** **Chaplain, Michigan Association of Police Chiefs**

Chaplain Ralph is the lead Pastor at Oakland Hills Community Church in Farmington Hills since 1987.

His first chaplaincy was with the Farmington Hills Police Department in the early 1990s. He also serves as chaplain for the Beverly Hills Department of Public Safety for almost 25 years. In addition to serving the MACP, Ralph is the chaplain for the SE MACP.

Chaplain Rebandt's church has a Law Enforcement Appreciation Sunday in May where they partner with agencies across Michigan to award financial assistance to a needy Law Enforcement family in Michigan who has financially fallen through the cracks. If you know of a family in financial need, feel free to contact him. Typically, suggestions are received through April 1.

Ralph has been involved in helping departments create and organize their own chaplaincy. He has offered counseling to our association ranging from marriage to traumatic death situations.

If you need any assistance, he is more than willing to help. Feel free to contact him at
