MiMGMA COMMITTEES

Affiliated Business Partners Committee – Eric Hannah, Chair

The Business Partners Committee works closely with our affiliate members to develop strategies for promoting the name and image of the MiMGMA. This includes working closely with any professional marketing firm engaged by the MiMGMA.

Legislative Committee – Diane Bristol, Chair

The Legislative Committee monitors the activities of the state and national legislative bodies and reports to the membership on proposed and enacted legislation.

Member Services Committee – Ken Rates, Chair

The Member Services Committee is responsible for developing programs to recruit and retain members, setting up member networks, developing the membership database, and identifying other services which may be of value to MiMGMA members.

Process Improvement Committee – Susan Lupo, Chair

The Process Improvement Committee acts as a clearinghouse for information on Process Improvement and suggests speakers for MiMGMA conferences on various Process Improvement topics.

Program Committee – Kim Parker, Chair

The Program Committee develops the educational content for the regular Fall and Spring conferences and for any special educational programs sponsored by MiMGMA. This is a key committee for our state organization.

Reimbursement Committee – Susan Sprague and Kathy Jo Uecker, Co-chairs

The Reimbursement Committee addresses reimbursement issues of importance to the MiMGMA membership by gathering and sharing information, acting as an advocate with third party payers for MiMGMA practices regarding significant reimbursement issues, and providing education for members, patients, legislators, and other constituencies as deemed appropriate.

TechNet Committee – Chair needed

The TechNet Committee is responsible for supporting Membership and Business Partners Committees through technology and website initiatives. They should identify educational webinars available from our business partners appropriate for membership viewing. They also oversee the mentor program.
