

## **MISA Ontario Alumni Program**

### Purpose and Eligibility:

The purpose of this program is to encourage all former MISA Ontario members and patrons typically retired and not actively working in the industry, to continue to be included in the MISA community without having to pay an annual membership fee. The Alumni has no voting privileges and is not eligible for a Board of Directors position. Before becoming an Alumni, the person is expected to make a self declaration that s/he will not actively solicit business from MISA Ontario members.

### Fees:

No annual membership fee will be imposed on the Alumni. A discounted conference rate(s) could be established by each conference committee to essentially cover the costs of the social expenses (Sunday events, Monday night dinner/entertainment, Tuesday night banquet event). The MISA Alumni shall have access to the 'members' only' section of the website.

### Anticipated Benefits to MISA Ontario:

It is anticipated that the MISA Alumni may volunteer to participate on committees, sub-committees, special interest groups and/or working groups, as well as attend, in part or full, the annual conference. MISA's annual conference revenues may increase slightly due to this Program. In addition, an Alumni can be an excellent source of knowledge transfer to newer MISA community members.

---

**MISA Alumni** means a former MISA Ontario member or patron, typically retired and not actively working in the industry, wishing to participate in the activities of the Association through committees, SIGs, working groups and annual events.
