

Thomas J. Lazear

Tom received his BS degree from the University of California, Berkeley and holds an MS from the University of California, Los Angeles and an MBA from the Sloan School of Management at M.I.T. Tom founded Versacad Corporation and operated it successfully until it was sold to Prime Computer, Inc. Tom has held executive management positions at Fluor , Prime Computer, Computervision, PowerPlan and now Archway. Tom is past Chairman of the National CAD Society, Chairman of several college advisory committees and a consultant to Bentley Systems, Inc. He has recently lead workshops at Stanford CIFE, University of California Berkeley and Cal State University, Sacramento. Tom was given the President's award in 2011 for contributions to Rio Hondo College and was the inaugural recipient of the Bentley Institute Lifetime Achievement award in 2012.
