MISAC Volunteer Opportunities: Committees and Task Forces

Beyond access to conferences, events, data sharing and networking, MISAC membership also offers IT professionals the option to volunteer on MISAC's committees and task forces. This National Volunteer Month, April 2018, the association thanks all volunteers for their contributions and encourages members to consider volunteering for a committee and/or task force.

New MISAC Agency Membership Available Starting on June 1, 2018

This January, MISAC's Full Voting Members approved an amendment to the MISAC State Bylaws that establishes a new membership category: Agency Membership. The new membership category allows agencies to obtain a fixed-cost membership ($1,000) that covers all IT staff within the organization.

"MISAC sought a way to help larger agencies benefit from MISAC membership. With the new Agency Membership, it is going to be more affordable for larger agencies to sign up all of their IT staff for MISAC membership without having to pay $130 for every member," said Tim Williamsen, MISAC President and City of Petaluma Information Technology Manager.

What You Can Expect at MISAC's 17th Annual Conference

As the first quarter of 2018 draws to a close, planning for MISAC's 17th Annual Conference is well underway. **"IT's Up to You"**—attributed to the impact that IT professionals have on their agencies and in their communities—recently was selected as the event's theme.

The MISAC Annual Conference will be held at the Westin Mission Hills Golf Resort in Rancho Mirage, Sept. 30 to Oct. 3. Attendees can expect their experience to include a healthy dose of education, a smattering of networking and plenty of fun.

Stay Connected with MISAC

"Like" us on Facebook today!

We're excited to announce that MISAC is now on Facebook!

MISAC is committed to reaching and engaging its broad and diverse membership in useful ways that are tailored to how we work and communicate. The new MISAC Facebook page is intended to help members stay up to date with the organization and their peers through the largest social networking platform in the United States and the world. The page is regularly updated with industry news, upcoming meetings and events, photos, news about members and more! Members also are encouraged to tag us in their own MISAC-related photos and posts.

Please help our new Facebook community grow and "Like" MISAC's page today!."

MISAC Member Highlight: Joyce Starosciak

To view member highlights, log into the MISAC website and visit the blog section under Member Resources or click here to find the Member Highlight blog. We use this to feature MISAC members on a quarterly basis.
