Dear Recipient:

We are very pleased to announce that your company has been selected to apply for membership as a MISHRM Resource Partner.

There are over 15,000 HR professionals in the state of Michigan. Seven thousand are members of SHRM and approximately 3,000 of those are members of SHRM chapters throughout Michigan. These Human Resource professionals join MISHRM with one thing in mind – finding solutions to their organization’s HR challenges. If your company provides products or services to the HR Community there is no better place to meet potential customers.

Build and sustain partnerships with human resource professionals, media, governments, non-governmental organizations, businesses and academic institutions to address people management challenges that influence the effectiveness and sustainability of their organizations and communities. We are inviting you to become a MISHRM Resource Partner. MISHRM Resource Partners, business professionals such as you, will need to submit the Resource Partner Application, meet and greet with MISHRM Board Members and attend a Resource Partner Orientation.

We appreciate your consideration and look forward to creating a mutually beneficial business relationship.

Sincerely,

Gregg Pranger / James Reid

RESOURCE PARTNER NONSOLICITATION AGREEMENT

MISHRM encourages Resource Partners to engage in value-added engagements where information-sharing and relationship-building activities provide opportunity for SHRM and local chapter members to express interest in services, rather than service suppliers soliciting the members. Think of this as a member-pull model, not supplier-push. This approach is critical to maintaining the constructive, transparent, and educational dynamic of interactions.

While MISHRM encourages information-sharing and relationship-building activities, it does not condone overt solicitation. This means that:

- Without express inquiry initiated by a SHRM and/or local chapter member, overt solicitation is strictly prohibited during all events;
- Resource Partners may not distribute sales and marketing materials at events unless explicitly approved by the MISHRM President and/or Resource Partner Directors;
- Resource Partners must exercise good business judgment during all events and refrain from any behavior that could be considered or interpreted to be overt solicitation or harassment.
- Failure to abide by this policy will lead to removal from the event and could result in the suspension of a person's or a company's resource partnership. No refunds will be provided in the event a resource partner is removed.

I _____ have received a copy of this MISHRM Non-Solicitation Policy. I have read and understand the above guidelines and agree to comply with such guidelines.
