MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN THE
NATIONAL SOCIETY OF PROFESSIONAL SURVEYORS, INC. (NSPS)
AND THE
MICHIGAN SOCIETY OF PROFESSIONAL SURVEYORS, INC. (MSPS)

ARTICLE I
PURPOSE
The purpose of the NSPS 100% State Affiliate Membership Program is to create an environment that will not only maintain but enhance our national influence by joining our memberships into a single unified organization that represents, as near as possible, 100% of the surveying profession.

A unified national organization would better serve the interests, objectives, and communication needs of its members, in helping to enhance the public image of the surveying profession. This stronger organization would also give its members a more powerful national voice in promoting and protecting our profession. This unity of purpose will also help to advance the sciences and the disciplines within the profession of surveying and mapping, encourage cooperation between the public and the private sectors, create an active public relations program and advance the protection of public welfare relative to surveying and mapping issues.

ARTICLE II
BACKGROUND
The NSPS Board of Governors and Board of Directors feel that the continued success and growth of our society and our profession requires a stronger relationship between the national and state societies. To that end, we desire to create a joint membership program that will attract state societies to join with NSPS to work together to enhance our profession while enjoying the benefits of membership.

Benefits of a unified national organization for NSPS would include:

STRONGER INFLUENCE in dealing with federal and state legislators, agencies, and administrators.

GREATER RECOGNITION when operating among other national and international professional organizations.

INCREASED EFFICIENCY in building on past, present, and future initiatives to strengthen the surveying profession.

Thus at the May 5, 2012 NSPS Annual meeting, a motion from members of the NSPS Board of Governors, to create and implement a 100% State Affiliate Membership Program was presented and approved by both the NSPS Board of Governors and Board of Directors.
