

Member Benefits

MMGMA supports medical practices in improving the health status of the community and their patients. We promote and enhance networking, knowledge and skills necessary to thrive in the healthcare arena. In addition, MMGMA advocates with legislative and regulatory bodies to advance the concept of group practice within the healthcare delivery system.

Enhance your career and practice.

Whether you are new to medical practice management or a seasoned veteran, MMGMA programs can help advance your career and fuel your personal growth. We work to support group practice management through education and information exchange. Join for the education, stay for the fun and fellowship.

We offer ideas and industry contacts to help you deliver quality clinic management.

With more than 500 members, we represent one of the largest and most active state professional associations in the nation.

Enjoy many member benefits.

- **Legislative Representation** – Each year, the Government Affairs Committee determines legislative priorities and develops strategies to advance our interests. MMGMA retains a professional lobbying organization.
- **Professional and Personal Development**
 - Two annual conferences address the latest trends and issues that practices and providers face.
 - Ongoing workshops and seminars offer high-level healthcare education
 - Scholarship and professional development fund opportunities help fund enhanced learning
- **Networking**
 - Eight committees offer a wide range of ways to connect with peers and get involved.
- Regular communication highlights member achievements, chapter and local industry news
- Three golf tournaments a year provides one-on-one time with peers.
- Robust website includes membership promotion, calendar of events, a searchable me
- **Day with the Payers** – Each spring, we meet with health plan representatives to discuss better ways to manage the insurance claims process.
- **Salary Survey Information** – We make available annual salary survey information from practices across the state and incorporated it into a guide to assist you in wage analysis and staff retention in a very competitive market. Visit mmgma.org for more details.

Enjoy many member benefits.

- **Regular Member (\$135)** – Open to managers/administrators of organizations that provide direct patient care.
- **Affiliate Member (\$350)** – Open to those whose companies offer services or products to the healthcare industry.
- **Student Member (\$30)** – Open to full-time students in a health care management program. Must provide proof (transcripts) of full-time enrollment in post-secondary or higher education. Student members receive free registration to the MMGMA winter and summer conferences.
- **Lifetime Member (\$0)** – Open to any person who has been a regular member for a minimum of twenty (20) years and who has retired from active paid employment or work in the health care field.
