

Bob Foster Scholarship Award Recipient - AFP Conference 2009

Kay Bloom

First of all I would like to say a very "BIG" thank you for being nominated to receive the annual Bob Foster Award! It is truly an honor to receive the award.

The trip to the AFP conference in San Francisco was amazing. The size of the AFP conference, speakers and exhibit hall was over-whelming. Very well run conference. I had never been to San Francisco so it was a real treat and now I sing the "Rice a Roni" song when I think of the city. I was able to take a Sunday morning five hour tour of San Francisco and the bay area.

I have been member of the MTMA association for over 18 years. I began volunteering for the annual conference some 13 years ago and have served on Facilities, Program and Publicity, with four years serving as Publicity Co-chair.

I currently work as a Cash manager for Black Box Network Services, a division of Black Box Corporation. Our division's annual revenue is \$238M. I am responsible for all day to day cash management activities in the US and Canada.
