

Join a MANA Committee Today!

The Minnesota Association of Nurse Anesthetists (MANA) is an active association that relies on the participation of its members, which in turn offers opportunities for professional growth. Maximize your investment by joining a MANA committee today!

Bylaws Committee: The MANA Bylaws Committee is responsible for reviewing the Bylaws on an annual basis and presenting proposed amendments to the Board of Directors and the members for consideration.

Communications Committee: This committee works with the PR Firm to develop and implement an overall public relations, marketing and communications strategy. The Communications Committee shall have charge of the official print publication—MANA Gas Line® and the MANA website.

Finance Committee: Provide oversight of the financial operations of MANA, prepare and present a budget to the Board of Directors annually, and provide oversight and guidance of MANA's investments.

Government Relations Committee: This committee works with the MANA lobbyist and directly with State Legislators to represent and support the interests of members. Committee members keep the membership apprised of issues that relate to the industry and profession.

Leadership Development Committee: In addition to serving as the Nominating Committee, this committee will regularly review and update Board and Committee descriptions, assess current and anticipated needs related to the composition of the Board and ensure proper orientation of Board and Committee members. The Nominating Committee will help identify and recruit Board candidates.

Membership Committee: Help MANA recruit and retain members, and provide input and suggestions to the Board of Directors to expand and improve services that will add value to membership in MANA. This committee also includes the Diversity Committee, which is committed to promoting diversity in anesthesia in Minnesota through its activities.

Professional Development Committee: The primary function of the Professional Development Committee is to plan, organize and execute MANA's annual educational conference. Committee members recommend a facility to the Board, choose topics and speakers, and plan all aspects of the meeting. This committee is also responsible for assessing the need for and providing other forms of education for members.

Wellness Committee: Promote wellness activities for MANA members, including raising awareness of chemical dependency and wellness issues in the profession of nurse anesthesia.
