

Access to the External Hennepin County Recorder/Registrar of Titles Policy Manual

The first step in gaining access will require you to establish an eGov account with Hennepin County. Please see the instructions for eGov access included with this session's material. Once you have completed all the identified steps and received the email confirming your account, please send an email to charlene.friedlein@hennepin.us and david.harvey@hennepin.us.

I will add you as a member of our external user group and I will send you a link to access the manual. We appreciate your interest and look forward to your feedback.

If you have any questions or need additional information, do not hesitate to contact me.
