

# SMALL CREDIT UNION BENEFITS

As a small credit union, you play an important role for your members and the movement. MnCUN provides resources to help make your job easier.

## GRANTS & EDUCATION DISCOUNTS

---

**Small Credit Union Education Grant** - grants for small credit unions to use for professional development through the Minnesota Credit Union Foundation. Small credit unions may also be eligible for expedited approval.

**Free Education Webinar** - credit unions with assets under \$50 million receive a free webinar of your choice from the Credit Union Webinar Network, valued at \$200.

**Discounted Registration** - credit unions with assets under \$50 million receive discounts on Network events such as the Annual Meeting, Credit Union Day at the Capitol, and Fall Leadership Conference registration fees.

## MnCUN STAFF RESOURCES

---

MnCUN Director of Business Development routinely works with small credit unions on a variety of topics, including:

- review operational and management policies;
- analyze new service benefits;
- assist with potential mergers and field of membership expansions; and
- assess a credit union's financial and operational situation.

**Planning Sessions** - work with MnCUN's Director of Business Development to find a balance between today's needs and tomorrow's opportunities.

## MnCUN STAFF RESOURCES

---

**Policy Resources** - complimentary access to PolicyAid - an online policy resource which contains over 80 sample policies and is updated quarterly.

**Education** - two complimentary compliance training webinars through MnCUN's partnership with PolicyWorks.

**Compliance Support** - submit a question online or give us a call, and MnCUN's compliance experts will assist with general compliance information.
