Arrowhead Library System

Serving Carlton, Cook, Lake, Lake of the Woods, Itasca, Koochiching, and Saint Louis counties.

Arrowhead Library System enhances the value of all types of libraries to their communities by cultivating collaboration, technological innovation, and professional development; and enriches the quality of life by providing direct services for those without a public library and access to electronic resources for all people in northeastern Minnesota through:

- Trains Library Staff such as the Step Into Storytime workshop; American Indians in Children's Literature and more!
- Brainfuse homework help and job search preparation
- Collection management, online catalog, and technical support
- MackinVIA eBook collection for pre K-12 schools
- Scholarships for continuing education
- Interlibrary loan service
- Delivery service coordination
- Weekly Weeder Newsletter

"This [training] was helpful to me as we implement Arrowhead's purchase of eBooks for schools. I am going to contact English teachers to see if they can spare 15-20 minutes of class time to make a pitch. Thank you to ALS for providing the opportunity to attend the Technology Educators of Minnesota conference. I'm looking forward to putting things I've learned into action!"

- Media Center Specialist

Arrowhead Library System (ALS)
