MLA Student Roundtable Meeting  
Monday, April 12, 2021

Present: Megan, Stacey, Steve, Claire, Debbie, Ari, Erin  
Absent: Maggie

Discussion of goals
• The MLA conference is October 6\textsuperscript{th}-8\textsuperscript{th}, does SRT want to organize a speaker or panel for this coming conference? Debbie and Megan are in favor of doing something, perhaps a student-led experience panel.  
• SRT’s 3-month goal could be to hold an informal outreach event such as a virtual trivia event.  
• First, we need to recruit more members. St. Cloud and MCTC both have library programs, so the first step could be to reach out to those students, in addition we could pop into St. Kate’s intro courses in the fall to advertise the SRT.  
• Stacey will add all 171 MLA student members to the SRT group.  
• Stacey advises we do not start an individual Facebook group, but utilize the MLA Facebook page to put forward content.

Role/Responsibilities
• Megan and Maggie will lead the meetings  
• Claire will keep meeting minutes  
• Members at large will organize and lead specific events and initiatives

Future Meetings
• The leadership team will meet monthly, and an annual membership-wide meeting will take place at the conference

Other Business
• One of the next steps is to determine what we want on our webpage and assign people to develop that content.  
• Look into the possibility of establishing bylaws  
• We will meet again on 5/3 at 5pm to discuss next steps and delegate upcoming responsibilities.
