

PLD Executive Board Meeting Minutes 6.12.19

Board Members present: Angie Petrie, Jill Smith, Julia Carlis, Maggie James

Not present: Megan Krueger, Jessica Zillhart

Agenda

- I. PLD Updates
 - a. Angie will talk to Chris More of Mental Health MN about talking at a future PLD Board meeting. Chris can share some ideas about a mental health webinar (hopefully archived) for librarians.
 - b. Angie suggested the idea of hosting a PLD get-together at the Hastings library grand opening celebration on June 25th. We can share something about it on the PLD Facebook page to spread the word.

- II. PLD Day Re-Cap
 - a. Feedback has been very positive for PLD Day.
 - b. The food was not labeled, which received some complaints. It was specified in the contract to label it but the caterers lost the signs. So Angie asked for a discount, and we got a 10% discount on the food.
 - c. Julia emailed the PLD Board the pictures of the post-its activity, so Angie might share them on our PLD webpage.
 - d. We got positive feedback on the muppets that were used for tables as well.
 - e. The PLD Day evaluations had great suggestions for next year's PLD Day.
 - i. One suggestion for next year's topics was weeding, so Jill recommended doing a webinar about it at some point during the year. Hannah Buckland from State Library Services could help us develop the training/webinar.
 - ii. Other suggested topics for next year's PLD Day involve outreach and community engagement.
 - iii. Angie said the PLD Board could share information about outreach and community engagement resources on Facebook (such as archived webinars).
 - f. Angie suggested that the PLD Board forego meeting in July, due to vacations and other summer activities. But there will be a PLD Board meeting in August since the MLA Annual Conference is in September this year.
 - g. Next PLD Board meeting is August 12th, 2019.
 - h. We will use Zoom again for our next meeting, so Angie will send us the link.
