Congratulations to incoming RASS co-chairs Tiffany Ross (Lake Agassiz Regional Library) and Gretchen Benson (Washington County Libraries). We are thrilled that they will be shaping the Reference and Adult Services Section over the next two years. (Current co-chair Katherine Stecher will remain part of the leadership team for an additional year.)

The remainder of the meeting focused on how members can further the Vision and Purpose of RASS (https://www.mnlibraryassociation.org/page/RASS#roster2). Ideas included:

- Partner with PLD (PLD Chair Jody Wurl will act as RASS liaison) to share reference resources and training opportunities on the MLA website
  - Examples:
    - Consumer Health Information Specialization: https://www.mlanet.org/page/chis
    - Disaster Information Specialization: https://www.mlanet.org/page/disaster-information-specialization
  - Use sustainable practices to maintain, e.g. prevent link rot by creating a link farm (and if you had to google "link rot" and/or "link farm," don't worry...you're not alone).
- Sponsor a session at MLA, possibly a "30 Reference Resources in 60 Minutes" session. Katherine will follow up.
- Reinstate semi-regular in-person RASS meetings (aka "RASS Rendezvous")
